Subject: Removal from October 2, 2002 Agenda – Request for Reinstatement of Suspended Portion of Penalty in Case #02-262

Dear Mr. Benjamin:

As previously stated in a telephone message to your home, PDC staff removed from the October 2, 2002 Commission meeting agenda a request for reinstatement of the \$100 suspended portion of the \$200 penalty in Case #02-262, Respondent, Richard Benjamin.

The matter was removed from the agenda because the violation in Case #02-369 (failure to timely file your annual F-1 report that was due by April 15, 2002) occurred on April 16, 2002, the day after the report was due, and not during the four year suspension period set forth in Case #02-262, which started May 20, 2002, the date the order was signed. PDC staff originally scheduled the matter for hearing by the Commission because the hearing for Case #02-369 occurred on June 4, 2002, which was during the suspension period.

If you have questions, you may contact me at (360) 664-8853 or toll free at 1-877-601-2828.

Sincerely,

Philip E. Stutzman
Director of Compliance
