Subjects: Continuation of Hearing in PDC Case #03-466

Dear Mr. Young:

On September 3, 2003, an enforcement hearing was held before the Public Disclosure Commission concerning Case No. 03-466. After considering the Notice of Administrative Charges and its exhibits, oral argument by PDC staff, and your oral arguments, the Commission continued your hearing for one year. You agreed to this action.

By September 2004, PDC staff will review whether the Commission has found you in violation of RCW 42.17.240 for failure to timely file your F-1 report by April 15, 2004. If no such violation has been found, Case No. 03-466 will be automatically dismissed, and a dismissal order issued. If a violation has been found, Case No. 03-466 will be brought back to the full Commission.

If you have questions concerning the annual F-1 requirement or your case, please contact Phil Stutzman at (360) 664-8853, toll free at 1-877-601-2828, or by email at pstutzman@pdc.wa.gov.

Sincerely,

/s/
