Modifying Rules for Initial Hearings

Proposed Amendment

WAC 390-37-060 *“Enforcement procedures—Alternative responses to noncompliance—Investigation of complaints—Initiation of adjudicative proceeding”*

(1) Upon receipt of a complaint, the PDC staff will conduct an initial review of the complaint pursuant to WAC 390-37-005.

(a) If the executive director determines that any complaint is obviously unfounded or frivolous, or outside of the PDC’s jurisdiction, the executive director will inform the complainant and respondent why no further action is warranted.

(b) The executive director may resolve a matter as a remedial violation or technical correction pursuant to RCW 42.17A.755.

(c) The executive director may resolve any complaint that alleges minor violations of chapter 42.17A by issuing a formal written warning. If the resolution is conditioned upon the respondent reaching or maintaining compliance, specific expectations and any deadlines should be clearly explained in the written warning. A respondent’s failure to meet conditions may result in a complaint being reopened.

(d) The executive director may use the complaint publication process set out in WAC 390-32-030 to resolve any complaint that alleges minor or technical violations of chapter 42.17A RCW.

(e) The executive director may ~~initiate an investigation~~ use their subpoena authority to gather information whenever an initial review of a complaint indicates that a material violation may have occurred.

(2) If the executive director determines an investigation will require the expenditure of substantial resources, the executive director may request review and concurrence by the commission before proceeding.

(3) If the executive director determines ~~an investigation is warranted~~ that a material violation occurred, an initial hearing (case status review) shall be held pursuant to WAC 390-37-071 within 90 days. If, during analysis of available records and testimony provided, it is believed that no material violation occurred, no initial hearing shall be held.

(4) Following the initial hearing ~~(case status review), and further investigation if needed,~~ the executive director ~~may~~ shall initiate an adjudicative proceeding (or brief adjudicative proceeding) whenever the

facts support that an actual violation has occurred and the matter is not appropriate for a ~~dismissal~~ or an alternative resolution.

(5) The respondent and complainant shall be notified of the date of the adjudicative proceeding or a report on an enforcement matter resulting from a complaint no later than ten calendar days before that date. The notice shall contain the information required by RCW 34.05.434, the staff investigative report, and any charges to be adjudicated. The notice, whenever possible, will be delivered electronically.
