RE: Rules Development Agenda for January 31, 2020 to July 31, 2020

The Commission is required by RCW 34.05.314 to prepare a semiannual rules development agenda that includes planned rulemaking for the following six months. By January 31st and July 31st, the Commission submits the agenda to the Code Reviser for publication in the State Register.

Staff proposes the Commission consider the following for inclusion in the development agenda:

1. Possible rulemaking for legislation passed by the 2020 legislature including, but not limited to, agency request legislation

Action Requested: Staff requests the Commission adopt this rules development agenda for submission to the Washington State Register for the period of January 31, 2020 to July 31, 2020.
