The purpose of this report is to highlight receipt of an earmarked contribution. (That is, a contribution given to one candidate or political committee with the understanding, intent or instruction that it be used to benefit another candidate or committee.) This report is filed in addition to any other required reporting of the transaction.

A separate “Special Report E” is filed for each earmarked contribution received by any candidate or political committee.

File this report within two working days of receiving the earmarked contribution. Mail or deliver the original to PDC. Send a copy to the benefiting candidate or committee, also within two working days.

NOTE: Candidates for legislative and statewide executive office are subject to state contribution limits. Earmarked contributions count toward the applicable limit and are attributed to the original source of the contribution (unless another person controlled the choice of recipient). It is a violation for anyone to accept a contribution in excess of the relevant limit. Verify with the campaign of a legislative or statewide office candidate before accepting a contribution earmarked for the benefit of such a candidate.
WAC 390-16-240  Earmarked contributions—Definition and use.  (1)  Earmarked contributions, as that term is used in RCW 42.17A.270 and 42.17A.460, means any contribution given to an intermediary or conduit, either a political committee, candidate or third party, with a
designation, instruction, or encumbrance, whether direct or indirect, express or implied, oral or written, which is intended to result in or which does result in all or any part of the contribution being made to or for the promotion of a certain candidate, state official, or ballot proposition.

(2) For purposes of RCW 42.17A.405 and 42.17A.410, an earmarked contribution is deemed to be for the promotion of, and attributable to any limit applicable to the candidate, authorized committee, bona fide political party, caucus of the state legislature or political committee designated by the original contributor.

(3) If an earmarked contribution is given to an intermediary or conduit to be spent on behalf of a candidate and the entire amount given is not used for this purpose, the remainder of the contribution shall be given to the designated candidate unless its use is redesignated by the original contributor. If the conduit or intermediary exercise any direction or control over the use of the remainder of the contribution, then the amount of the remainder shall be considered a contribution from the original contributor and the conduit or intermediary to the recipient.

(4) The intermediary or conduit receiving the earmarked contribution shall notify the candidate or political committee for whose use or benefit the contribution is designated within two (working) business days after receipt of the contribution.

(5) If an earmarked contribution is refused by the designated recipient candidate or political committee, the earmarked contribution must be returned by the intermediary or conduit to the original contributor within five (working) business days of refusal.

No contribution shall be deposited by any candidate or treasurer who believes, from the face of the contribution instrument or for any other reason, the contribution was made in a fictitious name, by one person through an agent, relative, political committee, or any other person so as to conceal the source of the contribution or to exceed the contribution limits provided in RCW 42.17A.420, 42.17A.405, or 42.17A.410. The candidate or treasurer shall return such contributions within ten (calendar) days to the original contributor if his or her identity is known. Otherwise, the contribution instrument shall be endorsed and made payable to "Washington state treasurer" and the contribution sent to the public disclosure commission for deposit in the state's general fund.
AMENDATORY SECTION  (Amending WSR 12-03-002, filed 1/4/12, effective 2/4/12)

WAC 390-28-060  Hearing to modify reporting—Administrative law judge proceedings.  (1) The commission may request through the office of administrative hearings the appointment of an administrative law judge to hear individual applicants.

(2) After such hearing is concluded, the administrative law judge shall prepare and distribute to the applicant and each commissioner a proposed decision determining the issue. The applicant shall have five business days to file with the commission specific objections to the administrative law judge's proposed decision and to request an opportunity to present additional evidence to the commission. When written objections are timely filed, the commission, at the time of review and ratification, shall consider the whole record or such portions as may be cited by the administrative law judge, applicant or executive director. The commission may also hear additional testimony.

(3) If the applicant files objections to the administrative law judge's proposed decision, the filing requirement from which the applicant has sought modification shall not be suspended unless the commission, upon notice of the filing of objections, determines that a temporary suspension is justifiable pursuant to the criteria set out in RCW 42.17A.120. Such suspension of filing requirements shall be granted only until the decision is finalized by formal action of the commission.

(4) At the next meeting at which the matter can be lawfully considered, the commission shall review and either ratify or modify or revise the proposed order.
WAC 390-32-030 Complaint publication—Fair Campaign Practices Code—Alternative to investigation or adjudicative proceeding. (b) Upon receipt of any response, the executive director shall forward a copy of the response to the complainant. A copy of the complaint and the response shall be sent to news media at the expiration of the five business days for response. The complaint and the response shall be available at the commission office for public inspection and copying. If no response is received within five business days, the complaint shall be made public without a response.

(c) The commission will not issue comments or opinions about complaints or responses received under this subsection.

(a) Subject to the limitations in subsection (4) of this section, upon receipt of a complaint authorized by the executive director for processing under this subsection, the executive director shall forward a copy of the complaint to the respondent, accompanied by a request for a response to the complaint to be returned within five business days from the date of mailing.

(b) Complaints authorized by the executive director for processing under this subsection shall be forwarded to the respondent within ((ten business days of receipt, or)) eight days prior to the date that ballots must be available under RCW 29A.40.070(1) ((whichever is earlier)).

(c) Upon receipt of any response, the executive director shall forward a copy of the response to the complainant. A copy of the complaint and the response shall be sent to news media at the expiration of the five business days for response. (3) Following the processing of a complaint under subsection (2) of this section, the executive director shall review the complaint and any response received. Whenever a complaint and response indicate that a material violation of chapter 42.17A RCW may have occurred and/or the respondent may not be in substantial compliance with the relevant
statutes and rules, considering the factors set forth in WAC 390-37-056, the executive director may:

(a) Dispose of the complaint through an additional alternative response as provided in WAC 390-37-055; or

(b) Direct a formal investigation be conducted.

(4) The commission will make no attempt to secure a reply to and will make no public release of complaints received within eight days of the date that ballots must be mailed to voters under RCW 29A. 40.070(1).

(5) The filing of a complaint with the commission under this section or any provision of chapter 390-37 WAC constitutes implied consent to have the complainant's identity disclosed.
