WAC 390-18-040 Use of the terms "reelect," "retain," and "return." (1) The term "reelect" when used in an advertisement represents that the candidate is presently holding the office being sought, was elected to it, and is seeking another term in the same office in the same district or political subdivision.

(2) The term "reelect" may be used in an advertisement by a non-incumbent candidate who has previously been elected to the office being sought provided that in the same advertisement it is clearly stated that the candidate is not the incumbent.

(3) The term "retain" in an advertisement represents that the candidate is the incumbent but does not imply that the candidate attained the office by election.

(4) The term "return" in an advertisement represents that the candidate now holds, or has previously held, the office being sought, but does not represent that the office was attained by election.

(5) Whenever the boundaries of a district or political subdivision are officially altered through redistricting, consolidation or other official procedures, the candidate holding an office in the affected district or political subdivision may, in an advertisement, use the term "reelect," "retain" or "return," as appropriate, if the candidate is seeking the same office in the revised district or political subdivision.

((6) Stating the office sought (e.g., "mayor") by a candidate in a political advertisement without expressly stating the candidate is seeking election to the office (e.g., "for mayor"); "Eleet Smith Mayor" represents that the candidate presently holds that office.)
