BEFORE THE PUBLIC DISCLOSURE COMMISSION OF THE STATE OF WASHINGTON

In RE COMPLIANCE WITH RCW 42.17A

PDC Audit No. 20-15

2020 Committee to Elect Mike Volz for State Representative Campaign

Audit Report

I. Audit Scope

- The Public Disclosure Commission (PDC) has the authority under RCW 42.17A.105 and .110 to conduct audits of candidates, committees and other filing entities.
- Initiative 134, a statewide initiative concerning campaign finance and contribution limits was overwhelmingly approved by voters in 1992 and included the requirement for the PDC to conduct audits of filers. The audits are meant to provide the public with the findings of reviews conducted of candidates, political committees and other filers, and to determine those filers' degree of compliance with the reporting requirements and provisions of RCW 42.17A.
- The audit findings provide PDC staff with an opportunity to identify problem areas in reporting campaign or committee contribution and expenditure activities that may suggest a need to revise the PDC's advice and guidance given to filers, to recommend or initiate changes in the law, or to adopt or revise rules for reporting, and if necessary, for enforcement. The Commission believes that the primary purposes of conducting audits are to:
 - 1. Verify that the information disclosed on candidate and political committee campaign finance reports is timely and accurate in accordance with RCW 42.17A.
 - 2. Determine whether candidates and political committees are in substantial compliance with the law, rules, and reporting requirements.
 - 3. Evaluate record keeping and reporting procedures used by filers and suggest corrective action to ensure future compliance with the law, or law/rule changes as necessary depending on the audit findings.

PDC staff selected four State Representative races from the 2020 election cycle, involving eight
candidates for limited-scope audits to be conducted based on the audit criteria established by staff.
The audit criteria included that both 2020 State Representative candidates in each Legislative
District were in a contested 2020 general election, with both candidates disclosing significant
contribution and expenditure activities, and the election generated significant public interest.

II. Audit Background

- On August 2, 2019, Mike Volz (Mike Volz) filed a Candidate Registration (C-1 report) declaring his candidacy for election to the office of State Representative, Position 1, in the 6th Legislative District in 2020, selecting the Full Reporting Option and listing himself as Treasurer.
- On May 14, 2021, the PDC staff sent an email to James Mike Volz for the 2020 Committee to Elect James M. Volz (Mike Volz) Campaign for State Representative and attached a letter notifying him that staff was conducting audits of four 2020 contested State Representative races. The letter stated staff was conducting a limited-scope audit of the two 2020 candidates that ran for State Representative in the 6th Legislative District, Position 1, which included Willian Bruch. The letter requested documentation maintained by the Campaign for selected expenditures made during the 2020 election cycle, in addition to a brief narrative concerning general contribution and expenditure campaign practices, including the record keeping of the campaign books of account in order to complete the audit work.
- As noted above, the audits provide the PDC and the public with an opportunity to determine the degree of compliance with the PDC reporting requirements, thereby enhancing and strengthening the public's confidence in the campaign finance information being disclosed by filers. The audits also assist in identifying areas in the reporting of campaign contribution and expenditure activities that may suggest a need to update or revise the advice on the PDC website in the PDC online candidate manuals, and from Filer Assistance staff, and areas of potential changes in the law or amendments to the PDC rules to further clarify a specific reporting requirement.
- The limited-scope audits consist primarily of reviewing the Monetary Contributions reports (C-3 reports), and Summary Full Campaign Contribution and Expenditure reports (C-4 reports) filed by each Campaign, and queries conducted by PDC staff of the contribution and expenditure databases on the PDC website. The information is reviewed to determine the Campaign's timeliness and accuracy in disclosing contribution and expenditure activities undertaken on the C-3 and C-4 reports in accordance with the reporting requirements found in RCW 42.1A.235 and .240.
- The information is reviewed to determine the Campaigns' timeliness and accuracy in disclosing contribution and expenditure activities undertaken on the C-3 and C-4 reports in accordance with the reporting requirement under RCW 42.17A.235 and .240.

III. Audit Findings

• The 2020 Committee to Elect Mike Volz Campaign for State Representative (Campaign) disclosed \$93,380.36 in total contributions received and \$81,742.26 in total expenditures made during the 2020 election cycle, with \$12,138.10 as cash on hand balance through December 31, 2020, as indicated on the December 2020 C-4 report filed on January 19, 2021.

Timeliness and Accuracy in the filing of C-3 reports disclosing contributor information:

- Candidates appearing on the 2020 primary and general election ballots who selected the Full Reporting option were required to file weekly C-3 reports every Monday beginning June 1, 2020, through the date of the general election, disclosing contributions that were received and deposited the previous seven days. Prior to June 1, 2020, candidates were required to file monthly C-3 reports for deposits of campaign contributions made during the month or period covered by the C-4 report.
- RCW 42.17A.220 requires candidates to timely deposit monetary contributions received into the campaign bank account or depository within five business days of receipt.
- For the 2020 election cycle, the Campaign filed C-3 reports disclosing contributions received covering the period August 2019 through December 23, 2020, that included 184 separate monetary and in-kind contributions totaling \$93,380.36. The \$93,380.36 in total monetary and in-kind contributions received did not include any anonymous contributions or small contributions \$25 or less not itemized as depicted on the C-3 reports.
- The Campaign's largest contributor in 2020 included the following caucus political committee:
 - 1. House Republican Organizing Committee (HROC): A total of \$5,000 in in-kind contribution for Banner Ad was received from HROC on October 27, 2020.
- Based on the number of C-3 reports filed by the Campaign, staff reviewed random C-3 reports filed for contributions received and deposited beginning May 2020, when the accelerated C-3 reporting requirements began for 2020 candidates. Under that reporting requirement, C-3 reports are required to be filed every Monday for contributions received and deposited in the preceding seven calendar days. The 2020 C-3 reports filed by the Campaign and reviewed by staff included the following:

Totals			\$46,000.00		

- PDC staff reviewed the 22 C-3 reports filed by the Campaign and listed in the table above totaling \$46,000.00 which represented about 49.3 percent of the \$93,380.36 in total contributions received during the 2020 election cycle. As noted in the table above, the Campaign timely filed all 22 reports reviewed by staff as part of this audit.
- In addition, staff's review verified that the Campaign timely deposited the contributions received within five business days of receipt in accordance with RCW 42.17A.220 for the C-3 reports depicted in the above table.
- PDC staff downloaded the 2020 contribution database for the Campaign as a CSV file into an Excel spreadsheet, formatted and sorted the spreadsheet, and then conducted a review of the 2018 contributor information disclosed on C-3 reports. As part of that review, staff confirmed the Campaign complied with the 2020 election contribution limits which were \$1,000 for the primary and general elections for any individual, political committee, business, labor union, association, other entities and persons (other than the bona fide party committees listed above).
- Staff's review also indicated the Campaign disclosed the required Employer and Occupation information for the 33 individuals who contributed more than \$100 to the Campaign, totaling \$14,750 in contributions received.

PDC Audit No: 20-15

Page 6

- Of the 33 individuals who disclosed their Employer and Occupation information, ten listed their Occupation as being "Retired." Those ten retirees contributed a total of \$3,300 to the 2020 Campaign.
- The PDC audit procedures include staff identifying contributors that made monetary contributions to the Campaign and then verifying or confirming information disclosed for those specific contributions. For this audit, staff verified or confirmed selected contributions received by the Campaign by reviewing the expenditure reports of continuing political action committees (PAC) that were registered and required to file C-3 and C-4 reports with the PDC in the 2020 election year and made contributions to the Campaign in 2020.
- Staff reviewed the contribution spreadsheet and selected 10 PAC contributors that made
 monetary contributions totaling at least \$1,000 to the Campaign during the 2020 election, and
 reviewed the corresponding C-3 reports filed by the Campaign disclosing each PAC's
 contribution. The review included listing the date the contributions were received, the date the
 contributions were deposited, and the date the C-3 reports were filed.
- Staff then reviewed the C-4 reports filed by the selected contributing Political Action Committee (PAC) listed in the chart below for the corresponding contribution expenditure information disclosed on the Schedule A to C-4 report. The contribution information from the Campaign C-3 reports and the contribution expenditure information from the PAC C-4 reports were entered into the chart below and included the following:

Date Received - Campaign	Contributor name	Amount	C-3 Report Filed	Date Made by Donor	Disclosed by Donor
10/27/2019	Washington State Troopers PAC	\$1,000	10/28/2019	10/23/2020	C-4 report

	Action Fund				-
8/21/2020	ABC PAC-WA	\$1,000	8/24/2020	8/18/2020	C-4 report

- The review indicated that the Campaign received and deposited nine out of ten of the contributions selected for review within five business days of receipt as required by statute. As noted in the table above, the Campaign disclosed the contributors' names for the 10 monetary contributions from the PACs listed above within seven to 30 days after each PAC disclosed making the contributions.
- Staff based that information solely on the dates the expenditure for the contribution was disclosed as having been made by the PAC on the corresponding C-4 report, and the date the contribution was disclosed as having been received on the C-3 report filed by the Campaign.

Books of Account, Maintaining Campaign Records, and Internal Control Process:

As part of the audit, PDC staff requested each campaign to provide information concerning general campaign practices such as internal compliance controls, procedures for processing, depositing, recording and disclosure of contribution, procedures for making and reporting expenditures, including for debts, obligations, and orders placed, in-kind contributions, and candidate loans. On June 24, 2021, the Campaign provided a response to staff's questions about the internal control processes.

Audit Exhibit #2

Campaign Contributions:

The Campaign stated that during the 2020 election, the candidate would check the campaign mailbox "generally checked 2 or 3 times a week, but at least once and deposit the donations in the bank on Friday for the week." The donation/contributions data would then be entered into ORCA over the weekend for reporting.

The Campaign further stated that the campaign received online donations using PayPal. "Online payments that were received via PayPal were recorded and transferred when received. Transaction costs were recorded separately."

Campaign Expenditures:

All campaign expenditures were ordered and approved by the candidate himself. The candidate consulted/coordinated with the campaign consultant CUE 11 "giving them parameters and budget limits." The campaign consultant would then place the requested/approved ads. The candidate would then record ad services/purchase in ORCA and pay the bill once the invoice was received by the campaign. The candidate would also review, reconcile and submit all statutory reports after reconciling the C4 reports with the bank records, "noting any in-transit or pending items."

Contribution and Expenditure Reports:

The Campaign's ORCA bookkeeping was done by the candidate. This included uploading all the C-3 and C-4 reports onto ORCA. According to the Campaign, the treasurer would post to ORCA on the weekends.

The candidate, Mr. Volz, was responsible for curating the campaign records, which he maintained/stored in a file box. The books of account were made available during the public

Beginning June 1st for every political committee participating in an election, C-4 reports are required 21 and 7 days before each election in which the committee receives contributions or makes expenditures, and in the month following the election. Monetary contributions are reported weekly during this same time and are required to be disclosed on a C-3 report filed every Monday for monetary contributions deposited into the committee bank account the previous five business days.
- RCW 42.17A.220 requires political committee to deposit monetary contributions received shall be deposited by political committee members, paid staff, or treasurers in a depository in an account established and designated for that purpose. Sent Electronically to Representative Mike Volz

Subject: PDC Audit Letter, 2020 Mike Volz for State Representative Campaign; PDC Audit No. 20-15

Dear Representative Volz:

This letter is a follow-up to the email PDC staff sent to inform you the 2020 Mike Volz for State Representative Campaign had been selected for audit and that you would be receiving an email with this attached letter from staff concerning the audit. Pursuant to RCW 42.17A.105 and .110, the Public Disclosure Commission (PDC) has a mandate to conduct audits of candidates, committees, and other filing entities. Based on that authority, PDC staff has in the past conducted audits of candidates and political committees, lobbyists and lobbyist employers, and state agency lobbying activities in accordance with chapter 42.17 RCW. The PDC began conducting several limited-scope audits the first of December 2020.

Audits provide the PDC with an opportunity to: (1) determine the degree of compliance with the candidate campaign finance reporting requirements; (2) enhance and strengthen the public's confidence in the campaign contribution and expenditure information being disclosed by filers; (3) identify problem areas in reporting campaign activities that suggest a need to revise PDC advice being given or the information that is listed in candidate instructions on the PDC website and included in our online manuals; and (4) identify needed changes in the law or rules for reporting.

PDC staff previously identified four 2018 Legislative Districts elections for State Senate, which comprised the initial audit pool of eight candidates selected for limited-scope audits. The eight 2018 Senate candidate audits have been completed, and staff is applying the same criteria in selecting the 2020 House of Representative candidates for audit. The criteria used for the 2020 State Representative candidates included both candidates appearing on the November 3, 2020 general election ballot, in a contested election, with significant contribution and expenditure activities.

Based on the criteria listed above, the 2020 State Representative race in the 6th Legislative District, Position #1 was selected for a limited-scope audit. For your information, most of the audit work will involve PDC staff reviewing information disclosed on C-3 reports and C-4 reports that were filed electronically by each campaign. Staff will confirm and verify select contributor and vendor expenditure information, and be requesting documentation from both Campaigns, including copies of campaign books of account maintained by the Campaign for the specific expenditures listed below.

Audit Exhibit #1

Page 24 of 26

The requested documentation includes copies of invoices, receipts, cancelled checks, emails and other memoranda for the following 2020 Campaign expenditures:

- Seven expenditures were made by the Campaign to Cue 11 totaling \$34,956.79 that included: (1) a \$10,123 expenditure made on October 9, 2020, for a "Media Buy: KXLY 89, IHeart 206"; (2) a \$10,005 expenditure made on October 27, 2020, for a "Comcast Ad Buy"; (3) a \$5,000 expenditure made on October 9, 2020, for a "Media buy TBD"; (4) a \$3,142 expenditure made on July 22, 2020, for "KISC #58"; (5) a \$2,652.79 expenditure made on July 22, 2020, for "Production and Edits of DOER, BIO, GOTV"; (6) a \$2,034 expenditure made on July 22, 2020, for "KQNT/KIX #51"; and (7) a \$2,000 expenditure made on October 9, 2020, for "Studio Edit Mix."

- A \$1,675.55 expenditure made on November 17, 2020, to Action Solutions for "Robocalls 14155."
- A \$1,162.50 expenditure made on November 1, 2020, to River Marketing for "Design and layout."

Staff is also requesting that each Campaign provide a response concerning 2020 general campaign practices, internal campaign compliance controls, and procedures for processing and recording contribution and expenditure activities, including orders placed and in-kind contributions. The questions and Campaign practices for which a response is being requested, includes the following:

- 1. Explain the 2020 Campaign contribution process from receipt of a contribution, to entering the contributor information into ORCA, the name of the person depositing the contributions, how often contributions were deposited, and the filing of the C-3 report. In addition, if online contributions were received by the Campaign, please explain how those contributions were processed as well.
- 2. Explain the 2020 Campaign expenditure process including the placing of the orders for political advertisements, identifying who placed the orders, to making the expenditure, picking up the goods and/or services provided, and the disclosing of the expenditure on the C-4 report. In addition, explain the process for disclosing orders placed.
- 3. Describe the process for reviewing and filing the C-3 and C-4 reports, as well as the communication that occurs between the candidate and the Treasurer concerning the contribution and expenditure information being disclosed. In addition, does the candidate review the reports either before or after they have been filed?
- 4. Describe how the Campaign records are maintained for all contribution and expenditure activities, and what those records include.
- 5. Who was responsible for the Campaign records, did the Campaign make the books of account available during the public inspection period, was an inspection requested, and what documents were made available during the inspection?

 Audit Exhibit #1

 Page 25 of 26

6. Did the candidate or any Campaign officers or volunteers received reimbursements during the 2020? If yes, please describe how the Campaign handled the reimbursements, the documentation that was required for reimbursement, and how those records were maintained.

Please provide copies of the requested expenditure documentation, and a response to the PDC questions and issues regarding the various campaign practices, no later than **May 28, 2021**. If you need additional time, please do not hesitate to contact Kurt Young, PDC Compliance Officer.

PDC staff understand the numerous constraints placed upon individuals who run for public office as candidates and elected officials. Staff also appreciates the hard work, time, effort, and diligence on the part of all those individuals involved, including campaign workers, volunteers, and in particular the campaign treasurers. The PDC appreciates your cooperation in conducting this audit.

If you have any questions, please contact Mr. Young at (360) 664-8854, or by e-mail at pdc@pdc.wa.gov.

Sincerely,	Endorsed by,

- The PO Box was generally checked 2 or 3 times week, but at least once. Deposits were generally made on Friday for week and data was entered Orca over the weekend for reporting. Online payments that were received via PayPal and were recorded and transferred when received. Transactions cost were recorded separately.
- I would coordinate with CUE 11 giving them parameters and budget limits. CUE 11 would place the ads. Once an invoice was received for ad purchase and services, I would record in Orca and pay the bill.
- 3. I review, reconcile, and submit all reports. C4 reports are balanced to the bank balance noting any in-transit or pending items.
- 4. I maintain the campaign records in a file box at my house.
- 5. I am responsible for maintain records. The records were made available but there were no inspection requests.
- 6. I received two reimbursements: 1) \$240 for a fundraiser at Post Street Ale House in December of 2019; and 2) \$134 for PO Box rental fees. I treated them as normal expenses and maintained records as normal.
