

**WAC 390-16-063 Additional information regarding independent expenditures and C-6 report filing.** (1) RCW 42.17A.255 requires a person not otherwise subject to the disclosure requirements of chapter 42.17A RCW to disclose an independent expenditure of \$1,000 or more that supports or opposes a candidate or ballot measure. RCW 42.17A.260 requires the disclosure of political advertising with a fair market value of \$2,000 or more that is presented to the public within 21 days of an election, that supports or opposes a ballot proposition, or that qualifies as an independent expenditure and supports or opposes a candidate.

(a) **Prorating and attributing independent expenditures that support or oppose multiple candidates or ballot measures.** Whether to disclose an independent expenditure that supports or opposes multiple candidates or ballot measures is determined by prorating and attributing the cost of the expenditure among all candidates or ballot measures that are the subject of the expenditure. Disclosure is required when:

(i) The pro rata cost for a single candidate or ballot measure reaches or exceeds the statutory threshold and none of the subject candidates are seeking election to the same office and none of the subject ballot measures are competing measures; or

(ii) The sum of the pro rata costs attributable to all candidates seeking election to the same office or the sum of the pro rata costs attributable to competing ballot measures reaches or exceeds the statutory threshold.

Example 1 (prorating): A mailer/postcard supports one candidate and one ballot measure at a total cost of \$3,200. One side of the postcard is entirely devoted to the ballot measure. The other side is split evenly between the candidate and the ballot measure. The ballot measure's pro rata share is \$2,400 (75%) and the candidate's pro rata share is \$800 (25%).

Example 2 (prorating and attributing): An independent expenditure ad appears in the newspaper two weeks before the election. The ad costs (~~(\$1,000)~~) \$2,000; 50% of the ad supports a candidate and the other 50% opposes the candidate's opponent. The independent expenditure is disclosed under RCW 42.17A.260 because the sum of the pro rata share for the two candidates who seek the same office is (~~(\$1,000)~~) \$2,000.

(b) **Disclosing independent expenditures that support or oppose multiple candidates or ballot measures.** When a pro rata, attributable cost reaches or exceeds the statutory threshold, the entire independent expenditure must be disclosed, including the amounts attributable to all candidates and ballot propositions supported or opposed by the expenditure.

(c) **Other applications of prorating and attributing independent expenditures.** Use the prorating and attribution steps explained in (a)(i) and (ii) of this section to determine when an independent expenditure as defined in RCW 42.17A.005 must comply with the "no candidate authorized this ad" sponsor identification and, if applicable, the "top 5" contributors required by RCW 42.17A.320 and WAC 390-18-010.

(2) A political committee reporting pursuant to RCW 42.17A.225, 42.17A.235 and 42.17A.240 is exempt from providing on a C-6 form the

sources of any funds received by the committee for an electioneering communication, unless the committee received funds that were earmarked or otherwise designated for the communication.

(3) An out-of-state political committee must report pursuant to RCW 42.17A.305 if it sponsors an electioneering communication as defined in RCW 42.17A.005.

(4) The sponsor of an electioneering communication must report pursuant to RCW 42.17A.305 and these rules regarding electioneering communications, even if the expenditure also satisfies the definition of independent expenditure in RCW 42.17A.005 or 42.17A.255. Persons in compliance with this subsection are deemed in compliance with RCW 42.17A.255 or 42.17A.260.

(5) Any person making an expenditure that is reportable under RCW 42.17A.640, grass roots lobbying campaigns, that also satisfies the definition of electioneering communication in RCW 42.17A.005, must also file pursuant to RCW 42.17A.305 and these rules regarding electioneering communications. The report filed pursuant to RCW 42.17A.305 must identify the grass roots campaign.

AMENDATORY SECTION (Amending WSR 18-24-074, filed 11/30/18, effective 12/31/18)

**WAC 390-16-207 In-kind contributions—Explanation and reporting.**

(1) An in-kind contribution must be reported on the C-4 report. An in-kind contribution, as that term is used in the act and these rules, occurs when a person provides goods, services or anything of value, other than money or its equivalent, to a candidate or political committee free-of-charge or for less than fair market value, unless the item or service given is not a contribution according to RCW 42.17A.005 or WAC 390-17-405.

An in-kind contribution includes an expenditure that:

- Supports or opposes a candidate or a ballot measure;
- Meets the definition of contribution in RCW 42.17A.005 or WAC 390-05-210;
- Is an electioneering communication that is a contribution as provided in RCW 42.17A.310; and
- Is other than a monetary contribution made directly to a candidate or political committee.

For example, an in-kind contribution occurs when a person, after collaborating with a candidate or a candidate's agent, purchases space in a newspaper for political advertising supporting that candidate or opposing that candidate's opponent.

(2) According to RCW 42.17A.430 and WAC 390-16-238, a candidate may not use his or her campaign funds to make a contribution, including an in-kind contribution, to another candidate or a political committee. However, under RCW 42.17A.430, a candidate may use surplus funds as defined in RCW 42.17A.005 to make a contribution to a political party or caucus political committee.

**(3) Valuing in-kind contributions.**

(a) For purposes of determining the value of goods or services provided as in-kind contributions, refer to WAC 390-05-235 Definition—Fair market value.

(b) If an expenditure that constitutes an in-kind contribution is made, the value of the in-kind contribution to a particular candidate or political committee is the portion of the expense that benefits the candidate or political committee.

**(4) In-kind contributions to recipients who have limits under RCW 42.17A.405 or 42.17A.410.**

(a) If a candidate receives in-kind contributions from any person valued at more than (~~twenty-five dollars~~) \$25 in the aggregate for an election, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405 or 42.17A.410.

(b) If a bona fide political party or legislative caucus committee receives in-kind contributions from any person valued at more than (~~twenty-five dollars~~) \$25 in the aggregate during a calendar year, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limit provided in RCW 42.17A.405.

(c) If an elected official against whom recall charges have been filed or a political committee supporting the recall of an elected official receives in-kind contributions from any person valued at more than (~~twenty-five dollars~~) \$25 in the aggregate during a recall campaign, the contribution is reportable by the giver and the recipient pursuant to chapter 42.17A RCW and is subject to the applicable contribution limits provided in RCW 42.17A.405 or 42.17A.410.

**(5) Political committees that make in-kind contributions.** Except as provided for in subsection (5) of this section, a political committee that makes in-kind contributions to a candidate or political committee totaling more than (~~fifty dollars~~) \$50 in the aggregate during a reporting period must identify the recipient and the amount of the contribution as part of its C-4 report covering that period.

If the in-kind contribution is in the form of an expenditure that has been obligated, but not yet paid, the identity of the recipient candidate or political committee, along with a good faith estimate of the value of the contribution, must be disclosed in part 3 of Schedule B, in addition to the other information required by the C-4 report. When the expense is paid, the recipient's name and the amount of the contribution must be disclosed on Schedule A, in addition to the other information required by the C-4 report.

If a political committee provides equipment, property or anything else of value owned, leased or controlled by it to a candidate or political committee, the contributing committee must attach a statement to its C-4 report showing the name of the candidate or political committee to whom the contribution was made and the date, description and fair market value of the in-kind contribution.

**(6) Reporting by recipients.** Except as provided in subsection (5) of this section, in-kind contributions from one source are not reportable by the recipient candidate or political committee until the aggregate value of all in-kind contributions received from that source during a reporting period is more than (~~fifty dollars~~) \$50. If this threshold is met, the in-kind contributions must be reported in part 1 of Schedule B to the C-4 report covering that reporting period.

**(7) Application of RCW 42.17A.420—Last-minute contributions.**

(a) If an expenditure that constitutes an in-kind contribution is made no later than (~~twenty-two~~) 22 days before a general election and written notice of the in-kind contribution is in the possession of the recipient candidate committee or political committee (~~twenty-~~

~~two~~) 22 or more days before that general election, the contribution is not subject to the respective (~~five thousand dollars or fifty thousand dollars~~) \$7,500 or \$75,000 maximum amounts specified in RCW 42.17A.420.

(b) If an in-kind contribution is in the form of personal services donated to a campaign for the duration of the (~~twenty-one~~) 21 days before a general election, and if written notice of the value of this donation is in the possession of the recipient candidate or political committee (~~twenty-two~~) 22 or more days before the election, that in-kind contribution is not subject to the respective (~~five thousand dollars or fifty thousand dollars~~) \$7,500 or \$75,000 maximum amounts specified in RCW 42.17A.420.
