Subject: RE: Pamela Thrower-LeSesne 2009 Campaign

Ms. Thrower-LeSesne,

This e-mail is in response to your conversations with PDC staff and the electronic message you sent to the PDC on Friday, January 22, 2010, regarding the Brief Enforcement Hearing for PDC Case No. 10-055.

The Brief Enforcement Hearing for PDC Case No. 10-055, involving your 2009 campaign has been cancelled. The hearing was cancelled due to the mitigating factor that your campaign did not receive over \$500 from any source other than yourself, as the candidate, and the campaign did not receive or spend more than \$5,000 as detailed in your e-mail. While you chose the Full Reporting option, the total contributions received and expenditures made by your campaign would have qualified your campaign for the Mini Reporting option. Based on those facts, we are closing PDC Case No. 10-055 administratively.

Although we determined that the late filing of the Pre-General Election C-4 reports did not rise to the level of enforcement action, we are cautioning your campaign to timely file all future reports of contribution and expenditure activities, should you decide to file as a candidate in the future. For any future campaign, be sure to evaluate your campaign's proposed budget closely so that you may choose the appropriate reporting option.

Thanks for the e-mail and your participation in this matter.

Sincerely,

Kurt Young
PDC Compliance Officer
