Subject: Complaint Against Rocky Walker

Dear Mr. Perkins:

Please see the attached letter. It was bulk mailed from the Sultan Post Office the week of October 12. As it appears to violate campaign law, I ask that you investigate this matter in a timely manner so that if it is in violation, the voters can be informed prior to the election. In addition to any other violations, I was wondering about the following: Should there be an indication as to who paid for this ad? If Mr. Walker paid for the ad, should it have indicated which candidate authorized or endorsed the ad (or that no candidate did)? Is Mr. Walker speaking for the entire Sultan City Council? Which other public official(s) (if any) were involved in the printing, mailing and payment of this ad?

Mr. Walker has been found in violation of campaign laws in the past (see PDC Decision issued October 7, 2015, Tracking No. T15-012). I know you are very busy this time of year, but I sincerely believe elections should not be influenced by infractions of the law. Thank you, Kay George

ATTENTION SULTAN CITIZENS BEFORE YOU VOTE!

I ran for Sultan City Council two years ago and I ran against Kay George specifically because frankly I was disgusted that a person who had actively participated in trying to dissolve the city was now sitting on the Council. In Kay's two years on the Council I watched her continually be rude to the Mayor and fellow Council members calling other people liars while she herself was constantly perpetuating lies to the people of Sultan. Kay George never voted to approve paying the Cities bills nor did she participate in trips to Olympia to get support from lawmakers to help Sultan bolster infrastructure and services to our citizens. What she did so successfully was get herself in trouble for openly trying to recruit people from the audience to join a lawsuit against the City during a committee meeting. To further demonstrate her lack of ethics **Kay George** approached Council members Joe Nigel and Jeffery Beeler the night before the filing deadline and tried to **blackmail** them. She informed them that if they would join the push to contract out our garbage service, her and her elite handful of friends would not run any candidates against them and would even support their campaigns. Being ethical people, Joe Nigel and Jeffery Beeler refused.

We currently have a council that has the best interest of our Citizens at heart with every decision they make. None of us own multiple rental units or sell real estate and we don't make any decisions based on any financial gain for ourselves. With the exception of Bob McCarty, no one on the Council has tried to dissolve the City or support a lawsuit against the City. Since Al Wirta, Bart Dalmasso, and Ray and Kay George are running as a "**Gang**" to take over the City of Sultan and they claim to be all about protecting the people's money, ask them a couple of simple questions when they come knocking on your door. #1. When you loose the lawsuit against the City, how do you plan to pay back to the citizens of Sultan, the \$50,000 dollars in legal fees? #2. If your "gang" is so transparent, how do you feel about Kay George deleting all of her emails while she was a City Council member putting the City in a positon of liability for not being able to comply with the Public Disclosure laws? **Destruction of public records by Kay George is a Class A Felony.**

Thank you,

Rocky Walker, Sultan City Council
