

PDC,

In response to the complaint regarding my disclosure statement:

Yes, I have run before, but my campaign for Mayor is the first time that I had opposition for my position and in previous elections have had no expenses or funding or signage or mailers.

I am the sponsor of the mayoral campaign, so that information would be Daryl Eiding, 9202 32nd St E., Edgewood, Wa. 98371

If there might be any other information that is needed regarding this, or any other filings, please feel free to contact me.

I apologize for the oversight

Daryl Eiding
