To Whom it May Concern --

I am writing to inform you that the City of Burien has violated **RCW 42.17A.570**.

RCW 42.17A.570 reads as follows:

After January 1st and before April 15th of each calendar year, the state treasurer, each county, public utility district, and port district treasurer, and each treasurer of an incorporated city or town whose population exceeds one thousand shall file with the commission:

(1) A statement under oath that no public funds under that treasurer's control were invested in any institution where the treasurer or, in the case of a county, a member of the county finance committee, held during the reporting period an office, directorship, partnership interest, or ownership interest; or (2) A report disclosing for the previous calendar year: (a) The name and address of each financial institution in which the treasurer or, in the case of a county, a member of the county finance committee, held during the reporting period an office, directorship, partnership interest, or ownership interest which holds or has held during the reporting period public accounts of the governmental entity for which the treasurer is responsible; (b) the aggregate sum of time and demand deposits held in each such financial institution on December 31; and (c) the highest balance held at any time during such reporting period. The state treasurer shall disclose the highest balance information only upon a public records request under chapter 42.56 RCW. The statement or report required by this section shall be filed either with the statement required under RCW 42.17A.700 or separately. (emphasis added)

The statement required by the **RCW 42.17A.570** is also referred to by the PDC as form "T1".

Background of violation:

The City of Burien violated **RCW 42.17A.570** by failing to submit the T1 form statement required for the calendar year 2016 under **RCW 42.17A.570**. This statement was due between 1/1/2017 and 4/15/2017, but it **still has not been submitted to the PDC**. Currently, the City of Burien is **30 days past the statutory deadline**.

It should be noted that the City of Burien has struggled to comply with this statute in the past. For calendar year 2013, the City of Burien was 3 days past the statutory deadline when they finally complied (Ref# 3788962). Additionally, for 2012, the City of Burien appears to have failed to comply at all.

Please investigate the City of Burien about this failure to comply with state public disclosure law immediately.

Please note I have only submitted this complaint to the PDC.

Best Regards,

Glen Morgan
