To whom it may concern,

I am writing to inform you that the City of Vancouver has flagrantly violated **RCW 42.17A.570** on multiple occasions.

**RCW 42.17A.570** reads as follows:

***After January 1st and before April 15th of each calendar year, the state treasurer, each county, public utility district, and port district treasurer, and each treasurer of an incorporated city or town whose population exceeds one thousand shall file with the commission:***

***(1) A statement under oath that no public funds under that treasurer's control were invested in any institution where the treasurer or, in the case of a county, a member of the county finance committee, held during the reporting period an office, directorship, partnership interest, or ownership interest; or***  
***(2) A report disclosing for the previous calendar year: (a) The name and address of each financial institution in which the treasurer or, in the case of a county, a member of the county finance committee, held during the reporting period an office, directorship, partnership interest, or ownership interest which holds or has held during the reporting period public accounts of the governmental entity for which the treasurer is responsible; (b) the aggregate sum of time and demand deposits held in each such financial institution on December 31; and (c) the highest balance held at any time during such reporting period. The state treasurer shall disclose the highest balance information only upon a public records request under chapter 42.56 RCW. The statement or report required by this***

*section shall be filed either with the statement required under **RCW 42.17A.700** or separately.* (emphasis added)

The statement required by the **RCW 42.17A.570** is also referred to by the PDC as form "T1".

### **Violation#1**

The City of Vancouver violated **RCW 42.17A.570** by failing to submit the statement required for the calendar year 2014 under **RCW 42.17A.570**. This statement was due between 1/1/2015 and 4/15/2015, and it still has not been submitted to the PDC, which makes this document **760 days late past the statutory deadline.**

### **Violation#2**

The City of Vancouver violated **RCW 42.17A.570** by failing to submit the statement required for the calendar year 2013 under **RCW 42.17A.570**. This statement was due between 1/1/2014 and 4/15/2014, and it still has not been submitted to the PDC, which makes this document **1,125 days late past the statutory deadline.**

### **Violation #3**

The City of Vancouver violated **RCW 42.17A.570** once again, as has been their recent habit, by failing to submit the statement required for the calendar year 2016 under **RCW 42.17A.570**. This statement was due between 1/1/2017 and 4/15/2017, but it **still has not been submitted to the PDC**. Currently, the City of Vancouver is **30 days past the statutory deadline.**

### **History of violating the law.**

According to the PDC records, the City of Vancouver has also failed to comply with the statute before and ignored filing a T1 form covering calendar year 2008 as well..

Please investigate the City of Vancouver about this habitual failure to comply with state public disclosure law immediately.

This complaint has been submitted to the PDC only for now.

Best Regards,

Glen Morgan
