Gary Cronce:

The Public Disclosure Commission (PDC) previously notified you that it had received a complaint from Marilyn Vogler on October 18, 2017 alleging that you may have violated RCW 42.17A.555 for using a city council meeting to advocate for votes in opposition to Shelton Proposition 1, without proper notice or opportunity for rebuttal.

This letter is to notify you that after conducting a preliminary review of the allegations and your response, we have decided to open a formal investigation. PDC staff will investigate these allegations and notify you of the results when the investigation is complete.

PDC staff reviews and investigates complaints in accordance with the Administrative Procedures Act. The disposition of cases is governed by [Chapter 390-37 WAC](#). All laws and rules cited in this letter can be found on our website under the [Learn Tab](#).
