Dear Sirs:

With the following information provided I am alleging the following:

1. Jaclyn Gallion stated she had the intentions as running as a write-in candidate.
2. Jaclyn Gallion inappropriately (illegally?) placed her picture over a legitimate declared candidate on a rack-card that she did not have permission to do or paid for.
3. Jaclyn Gallion declared she was running as a candidate and received votes as a write-in candidate.
4. Jaclyn Gallion did not declare or maintain appropriate filings and forms required of a candidate.
5. Jaclyn Gallion took a photo of 4 sitting council members and illegally used a protected logo (City of Spokane Valley) for campaign purposes.
6. All 4 council members, Ed Pace, Mayor Rod Higgins, Caleb Colier, and Mike Munch used this logo and was posted on each one of their webpages. Tags were used depicting "#Vote for" for each candidate.

The future of our city is at stake. If we value our property taxes, protecting property rights, and consistent leadership then we as a city will reelect the current council. Please cast your ballots accordingly.
