Subject: Complaint regarding John Foster, PDC Case 27899

Dear Stephen Klein:

The Public Disclosure Commission (PDC) has completed its initial review of the complaint you filed on November 21, 2017. Your complaint alleged that John Foster may have violated RCW 42.17A.240 for failure to accurately report the value of your contribution.

PDC staff reviewed your allegations, and as a result of staff's initial review, we found the following:

- John Foster initially recorded receiving \$1,000 in contributions from you.
- On December 14, 2017, John Foster corrected his reports to reflect only receiving \$500 from you.

Based on these initial findings, staff has determined that in this instance, failure to accurately report the value of your contribution does not amount to a material violation warranting further investigation.

PDC staff is reminding John Foster about the importance of the complete and accurate disclosure of all contribution and expenditure activities, and the accurate filings of all future PDC reports.

The PDC has closed the matter, and will not be conducting a more formal investigation into your complaint or pursuing further enforcement action in this case.

If you have questions, you may contact Fox Blackhorn at 1-360-753-1980 toll-free at 1-877-601-2828, or by e-mail at fox.blackhorn@pdc.wa.gov.
