

## File a Formal Complaint - Dave Churchman

[Dave Churchman](#) reported (Wed, 4 Apr at 9:40 AM) via Portal [Meta](#)

Julie Door is a candidate for the State House, 25th district, position 1. A seat representing Puyallup and South Puyallup. On Door's C1 report on the PDC database, she lists an address in Ballard in Seattle as the only place her "books" can be examined. This does not comply with the PDC rule stated clearly on the C1 report that the location cannot be "out of area". Door employed this same stunt to avoid transparency in last November's election when she ran for Puyallup City Council.
