Per Communication with PDC the Letter Head used is a violation of the PDC
RCW 42.17A.555

Thank You

Hi Esther,

RCW 42.17A.555 states: "No elective official nor any employee of his or her office nor any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion of or opposition to any ballot proposition."

A candidate endorsement on official government letterhead would appear to fall under that prohibition.

Dear fellow Walla Walla County Community Members,

Being Walla Walla County Sheriff for the last two terms has been one of the greatest honors of my life.

I write to you today to let you know that I will not be seeking a third term as your Sheriff.

Over the last eight years, I've become very familiar with local law enforcement figures, past and present. I can unequivocally state that our current Undersheriff Mark Crider is our community's very best choice to continue our Sheriff's Office serving you in a professional and honorable manner.

Please accept my most sincere appreciation for your support of this Sheriff's Office and the support our community shows towards our local First Responder heroes. Your outward gratitude and support of those who protect and serve is felt and very appreciated. As I wind down my second term, I ask that you continue to keep those brave men and women who regularly and selflessly go into harm's way in your positive thoughts and prayers.

Thank you to the hard-working professionals of the Walla Walla County Sheriff's Office for eight wonderful, rewarding years.

Very Respectfully,

A handwritten signature in blue ink, appearing to read "John A. Turner".
