What impact does the alleged violation(s) have on the public?

No where on his signs does he have what political party he prefers
On all his signs as well as all literature he has McGary Franklin County Coroner misleading the public and inferring that he is the incumbent.
He filed that he would raise no more than \$5000.00 which limits up to a \$500.00 contribution yet he is accepting donations of \$1,000 from several people

I'm Curtis McGary, and I'm running for Franklin County Coroner in 2018.

I AM:

- ★ A local guy who was raised on a farm near Basin City.
- ★ Married with 4 kids and 8 grandkids. All of them live in the area.
- ★ A veteran Funeral Director of 30 plus years.
- ★ A member of the National Funeral Directors Association and the Washington State Funeral Director Association.
- ★ A former member of the Franklin County Board of Equalization
- ★ A member of the Pasco Kiwanis, and a Boy Scouts of America leader.

ISSUES IMPORTANT TO ME:

- ★ Budget accountability
- ★ Establishing better communication with the residents of Franklin County
- ★ Providing more thorough training for staff of the Coroner's office
- ★ Cultivating a better relationship with city, county leaders, law enforcement, and businesses
- ★ Enhancing a positive relationship with neighboring Coroner's offices

I can make big changes, with your help!
I look forward to serving our community as Franklin County's Coroner.
