Micaiah,

(PDC Case Number 36737)

In response to the Violation . The push card was a oversight and once we noticed it, which was shortly after we received them we ordered new ones with the political party affiliation attached. ( Please see the attachment)

As for the large sign in the email, there is already a "R" at the end of the white line under the last name. Located on the far right side of the sign.

It is my hope that this helps to clear up the Violation as reported.

Thank you  
Curtis McGary
