

File a Formal Complaint - Steve Vermillion

[Steve](#) reported (Fri, 15 Jun at 1:39 PM) via Portal Meta

Checking the PDC records as of 6/15/2018, Dean Johnson, current City Council Member, Puyallup WA has not filed a C1 or any other document indicating he is campaigning for the next the next city election. However, within the last week, former Mayor Kathy Turner hosted a kick off event for Johnson at her home that apparently raised \$18K. I was not in attendance but this information has come through three reliable sources. I believe a candidate has to file and or report any contributions which it appears Mr Johnson has failed to do.
