

File a Formal Complaint - Barb Hangartner

[Barb.hangartner](#) reported 4 months ago (Tue, 22 Mar at 7:22 PM) via Portal Meta

On Monday, March 21, 2016 on I-205 and Andresen I saw a sign for Lynda Wilson who is running for a senator seat in the 17th district. She currently is a representative from the same district, but since the legislative session is not complete, I was under the impression that she could not campaign as long as the session has not be completed. I was unable to get a picture of this sign.,
