Hi Alice,

Nice to talk to you over the phone. The summary: according to regulation <https://www.pdc.wa.gov/learn/index-of-interpretations-by-subject/online-campaign-activities>, as long as the expense is under \$50, we did not need to disclose (“unless the sponsor is an unpaid individual acting independently of a campaign and spending less than \$50”). Then the complain was filed in July, we did not spend that much.

I added my name/address to the homepage of the website when our expense exceeded \$50.

Please close the case with “no violation”.

Thank you,
Haihua(Eric)
