

Complaint Description

[Rumelharts](#) reported 9 days ago (Mon, 1 Oct at 7:55 PM) via Portal [Meta](#)
Pend Oreille County Fire District #2 is using public facilities and staff to encourage the support of an EMS Levy. They are using the Fire District offices to store yard signs supporting the EMS Levy as well as staff to manage the distribution of the yard signs. I suspect (although I have no proof) they have used public funds to purchase the signs.

Attached is a scan from the September 27th edition of the Selkirk Sun newspaper (www.selkirksun.com) with an ad stating you can contact the Fire District for a EMS Levy support yard sign.

What impact does the alleged violation(s) have on the public?
