Subject: PDC case 6656

Dear Mr. Berkman:

The Public Disclosure Commission (PDC) has completed its initial review of the complaint you filed on July 14, 2016. Your complaint alleged that William Jenkin may have violated RCW 42.17A.235, .240 and .245 by failing to electronically file required campaign disclosures.

PDC staff reviewed your allegations, as a result of staff's initial review, we found the following:

- Mr. Jenkin had not registered his campaign electronically with the PDC prior to the complaint. After the complaint his campaign treasurer worked with PDC staff to get the missing reports on file, and filed them electronically.
- All required C4 reports are now on file.
- William Jenkin has no previous violations of PDC laws and rules.

Based on these initial findings, I have determined William Jenkin's late filing of campaign disclosures, and failure to file reports electronically, does not amount to a material violation warranting further investigation. Pursuant to WAC 390-37-060(1)(b), Mr. Jenkin will receive a warning letter, and a reminder to file all future reports in accordance with PDC laws, rules and filing schedules.

The PDC has closed the matter, and will not be conducting a more formal investigation into your complaint.
