Re: Jack Carroll Candidate for State Representative 23rd District

Dear Mr. Phil Stutzman:

Please accept this letter as a formal complaint in regarding a pattern of misrepresentation by Jack Carroll candidate for State Representative in the 23rd Legislative District.

On July 13th, 2016, I became aware of campaign literature that Jack Carroll publicly distributed to citizens in the 23rd Legislative District. This literature does not properly identify his party affiliation.

Mr. Carroll is distributing:

- **Business cards and letterhead that do not properly identify the political party preference listed on Mr. Carroll's declaration of candidacy.**

Jack Carroll is in direct violation of RCW 42.17A.320 section one, which states that in part:

For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising.

I have attached additional documentation to support this claim, and I respectfully request that the Public Disclosure Commission investigate this matter immediately and that Mr. Carroll be contacted, without delay, and instructed to stop disseminating unlawful advertising, in all forms of communication, prior to the August 2nd, 2016 Primary Election.

Sincerely,

Jessica LaVigne
