Subject: PDC case 6924

Dear Mr. Tiufekchiev:

The Public Disclosure Commission (PDC) has completed its initial review of the complaint you filed on July 25, 2016. Your complaint alleged that Mark Mullet may have violated RCW 42.17A.235 and .240 for failing to report campaign contributions and expenditures.

PDC staff reviewed your allegations, and as a result of staff's initial review, we found the following:

- The Mullet campaign did report two in-kind contributions in the amount of \$1,782 which represents .8% of total contributions received and less than 1% of total expenditures.
- The late reported in-kind contributions are from the candidate himself, and are not special interest contributions.
- Mark Mullet has no previous violations of PDC laws and rules.

Based on these initial findings, I have determined in this instance, the late reporting does not warrant further investigation or formal enforcement action. Staff has reminded Senator Mullet to file all contribution and expenditure activities based on PDC filing requirements.

The PDC has closed the matter, and will not be conducting a more formal investigation into your complaint.

Sincerely,

Jacob Berkey
