[Alec.matias](#) reported 3 days ago (Tue, 2 Aug at 11:11 PM) via Portal

The Vice-Chair of the 26th Legislative District Democrats, Karen Urman, alerted our campaign to an email sent out by Larry Seaquist claiming he had secured the endorsement of the 26th Legislative Districts Democrats, which was false. Larry Seaquist was merely "approved" by the committee, not endorsed. Vice-Chair Karen Urman informed Mr. Seaquist that it was wrong to claim he had secured their endorsement, but his campaign never issued a retraction.

Karen Urman is available and willing to assist with any questions or investigation. Please let me know how we can be of any further assistance.
