**RE: Citizen Action Notice – Andrew Biviano - Notification of Results**

Dear Mr. Morgan:

I am writing to advise you of the results of the Attorney General's Office's review of the citizen action notice identified above and received from you alleging violations of the state campaign finance disclosure laws contained in RCW 42.17A by Andrew Biviano. In the notice, you made allegations concerning disclosure deficiencies by his campaign. This notice was first filed with the state Public Disclosure Commission.

The AGO reviewed the notice, responses received from the campaign, information from the PDC website, and the PDC's January 25, 2017 letter on your complaint. This review revealed that the allegations could not be substantiated or under the facts as alleged did not constitute violations of the law. Based on this determination, the AGO will not be proceeding with any lawsuit against Mr. Biviano. Please note that these decisions are limited to the specific facts in the citizen action notice and expresses no opinion as to the application of the law to any situations other than those alleged in the citizen action notice.

If you have further questions, please contact my office. Thank you.

Sincerely,  
  
LINDA A. DALTON  
Senior Assistant Attorney General
