

## **File a Formal Complaint - Branden Durst**

Voters for Washington Children, WA Charters Action PAC and Friends of David Sawyer are illegally cooperating. Digital advertisements paid for by Voters for Washington Children (WA Charters Action PAC) located on [thenewtribune.com](http://thenewtribune.com) link to a website ([abandonbranden.com](http://abandonbranden.com)) funded by Friends of David Sawyer. They use the identical imagery and language. Washington election law prohibits campaigns and independent groups from coordinating. By using the same images, language and directing a website financed by the candidate, that is exactly what is occurring. I've attached screenshots of the ads.
