PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555  
& RCW 42.17A.750**

Honorable Bob Ferguson and Mr. Stutzman:

Submitted herewith is a complaint concerning the violation of RCW 42.17A.555. As you are aware, RCW 42.17A.555 prohibits the use of public office or agency facilities in political campaigns.

**As the violations enumerated herein “probably affected the outcome of (the) election”, the Attorney General is hereby requested to investigate and bring civil action under RCW 42.17A.750. Such remedy is necessary in order to void the subject election, hold a special election within sixty days of the finding, and “protect the right of the electorate to an informed and knowledgeable vote”.**

**After reviewing fourteen (14) years of Public Disclosure Commission Compliance Complaints for violations of RCW 42.17.130/42.17A.555, this case, by far, is the most egregious, expansive and organized, involving the largest misappropriation of public resources. This case necessitates a thorough, high priority investigation to resolve the outstanding issues as soon as possible.**

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 2**

The first set of Respondents include Superintendent Sandra Lynne Hill, WSBA No. 31016 and other public officers of Pasco School District No. 1. Superintendent Hill, WSBA No. 31016, resides at 7420 Ricky Road, Pasco, Washington 99301-6716 and maintains a telephone number of (509) 546-2800. As noted in the Statement of Material Facts below, contact information for other public officers participating in this violation is not available, however, names and titles are provided.

The second Respondent is Pasco Citizens for Better Schools, a Campaign Committee registered with the Public Disclosure Commission. Pasco Citizens for Better Schools is managed by Michael Miller, 515 West Clark Street, Pasco Washington 99301 and maintains a telephone number of (509) 545-1881. Other officers include Valerie Moffitt and John Sawyer

The public's resources misappropriated and utilized in a political campaign are those of the Pasco School District No. 1. Pasco School District No. 1 is located at 1215 West Lewis, Pasco Washington 99301 and maintains a telephone number of (509) 543-6700.

All Pasco School District No. 1 documents provided herein were obtained by way of a formal public records request. All PDC documents were obtained from the State of Washington Public Disclosure Commission's website.

In order to avoid further misappropriation of public resources and facilities, the Public Disclosure Commission must ensure that Superintendent Hill, WSBA No. 31016, and all Respondents, not be permitted to utilize resources from Pasco School District No. 1 or any other public agency in responding to this review.

Similar to theft, these actions are personal to the Respondents, not an authorized or permitted activity for public officers.

Despite Complainant's Public Disclosure Request for "***Any and all documents related to the Proposed Bond Measure***", Pasco School District No. 1 has not provided documents related to the significant costs incurred related to use of stationery, postage, machines, and equipment, email, use of employees of the office or agency during working hours, vehicles, office space, publications of the office or agency, and other public resources used to promote the approval of the 2013 Bond Levy and influence the outcome of the vote. As such, no data related to public expenditures, public employee hours, or other public resources utilized are included herein.

Thank you in advance for your assistance. Please keep me apprised of your progress and final determination in this important community matter.

### **STATEMENT OF MATERIAL FACTS**

On November 27, 2012, the Pasco School District No. 1 Board of Directors took action to include a measure for a \$46,864,000 bond to “Construct And Improve School Facilities”. The 2013 Bond Levy was placed before the voters at a Special Election held February 12, 2013. **EXHIBIT 1** is a copy of Pasco School District No. 1 Resolution 850 authorizing the 2013 Bond Levy.

On January 8, 2013, the Pasco School District No. 1 Board of Directors took action to appoint Pasco Citizens for Better Schools (Mike Miller, Valerie Moffitt and John Sawyer) to the 2013 Bond Levy Proponent Committee. **EXHIBIT 2** is a copy of the minutes from the aforementioned meeting.

On February 12, 2013, the 2013 Bond Levy received 59.3% of the vote at the initial tally. The 2013 Bond Levy was narrowly approved upon the final tally, 61.7% (7,219 votes) in favor, 38.3% (4,481 votes) against with a 44.06% turnout.

**EXHIBIT 3** is a copy of the Pasco School District No. 1 Organizational Chart. This Organizational Chart provides clarity as to the close coordination among the public officials (Respondents) who directly report to Superintendent Hill, WSBA No 31016, enumerated herein.

Key Pasco School District No. 1 public officials (Respondents) who participated in the crusade to utilize public resources to support the 2013 Bond Levy, and influence the outcome of the vote include: Superintendent Sandra Lynne Hill, WSBA No. 31016; Director of Public Affairs, Leslee Caul; Executive Director of Human Resources & Legal Affairs Sarah Thornton, WSBA No. 25523; Assistant Superintendent of Operations John Morgan; Director of Fiscal Services Howard Roberts; Assistant Superintendent of Instructional Services Becky Gauthier; and Publications Manager Annie Warren. Address and telephone information is not available for these individuals.

### **Refusal To Communicate With Proposed Bond Opposition Committee**

On Thursday, August 23, 2012, Complainant emailed Pasco School District No. 1 public officials concerning the formation of a Bond Opposition Committee. Recipients included Director of Public Affairs, Leslee Caul; Executive Director of Human Resources & Legal Affairs Sarah Thornton, WSBA No. 25523; Superintendent Sandra Hill, WSBA No. 31016; and Jessica Morgan. **EXHIBIT 4** is a copy of said email.

On Friday, August 24, 2012, Superintendent Hill, WSBA No. 31016, emailed Director Caul “I don’t think we collect this. If he wants to write an opposition, I think it’s up to him. Let’s find out where we refer him.” **EXHIBIT 5** is a copy of said email from Superintendent Hill, WSBA No. 31016.

Complainant received no response to his email from the Pasco School District No. 1.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 4**

As an attorney at law who has been responsible for submitting several bond and levy issues for a public vote, Superintendent Hill, WSBA No. 31016, is or should be aware that her direction to staff was clearly a violation of RCW 29A.32.280 - Arguments advocating approval or disapproval - Preparation by committees.

**Solicitation For and Collection Of 2013 Bond Levy Campaign Funds From Pasco School District Employees Utilizing Pasco School District No. 1 Public Resources**

On Monday, September 17, 2012, 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Micheal Miller sent an email to Pasco School District No. 1 employee Violeta Smith with copies to Superintendent Hill, WSBA No. 31016, and Director Caul. **EXHIBIT 6** is a copy of said email. 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Miller's email was as follows:

“Hi  
Payroll deduction forms

I have delivered to all schools except Maya Angela and McGee and will have them done on Wednesday

*Please make sure all Principals and PAE Reps are followed up by the respective chain so that we can get a higher participation rate by all PSD (Pasco School District) Employees (emphasis added)*

*We were at \$407 per month I would like to hit \$1000 if at all possible as we will get done with this Bond campaign and then follow it with a Levy campaign next year I want us to start having meetings soon as well (emphasis added)”*

**The email exchange in EXHIBIT 6 clearly shows that the 2013 Bond Levy Proponent Pasco Citizens for Better Schools, Superintendent Hill, WSBA No. 31016, and public officials reporting to her were coordinating fund raising activities, utilizing Pasco School District No. 1 public resources for the express purpose of approving the Bond authorized by Resolution 850.**

Superintendent Hill, WSBA No. 31016, is aware of and promotes the illegal funneling of campaign funds to 2013 Bond Levy Proponent Pasco Citizens for Better Schools, as well as the coordination of meetings related thereto.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 5**

On January 6, 2013, 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Micheal Miller sent an email with a copy to Superintendent Hill, WSBA No. 31016. **EXHIBIT 7** is a copy of that email. The text of the message included:

Saundra Joy

We just received a check from PSD (Pasco School District) for the latest Payroll deduction efforts It was over \$500 which for me is fantastic

*I believe this is best efforts from a PSD (Pasco School District) Administrative push and PAE donations and leadership to get ground roots support* (emphasis added)

For the Bond 2013 campaign

*We need to keep pushing to get support is the best way possible* (emphasis added)

Do the schools need more PR Deduction forms  
What can be said in your newsletters

We have signs going up this week

We talk to Charter Channel 3 on Tuesday but things have changed all over the place  
They normally have three of us on the interview  
This time we only get one

*Saundra I believe it should be you or John Morgan* (emphasis added)

The problem is it is Tuesday night  
This was a squeeze us in and only this time available situation so I apologize

We have the pipefitters presentation on Thursday night at 6:30

I also have the TC Sunrise Rotary presentation on Friday at 6:45am

We meet with the TCH Editorial Board on the 15th of January

We are on our Month of January campaign run we have a lot on our plate both for the campaign and our every day busy lives

*So first I want to thank you for your patience in advance as we set a pace for getting this*

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

*election campaign passed* (emphasis added)

*And second keep asking the questions to make sure we are doing everything possible* (emphasis added)

*We are back on track for Monday night meetings tomorrow the 7th*

*See you there* (emphasis added)

The **EXHIBIT 7** email clearly details the “hand in glove” relationship between Superintendent Hill, WSBA No. 31016, and 2013 Bond Levy Proponent Pasco Citizens for Better Schools in coordinating fund raising and other activities to influence the vote and approve the bond measure authorized by Resolution 850. It is very disconcerting that Superintendent Hill, WSBA No. 31016, attended 2013 Bond Levy Proponent Pasco Citizens for Better Schools meetings as “*(w)e are back on track for Monday night meetings tomorrow the 7th See you there*”.

2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Mike Miller attributes the “*fantastic*” campaign contributions to the “*best efforts from a PSD (Pasco School District) Administrative push*” (emphasis added). Furthermore, 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Micheal Miller advised “*So first I want to thank you for your patience in advance as we set a pace for getting this election campaign passed*” (emphasis added).

### **Superintendent Hill's Speaking Engagements Arranged By 2013 Bond Levy Proponent Pasco Citizens For Better Schools**

On September 4, 2012, 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Micheal Miller began an email thread which served to coordinate multiple speaking engagements for Superintendent Hill, WSBA No. 31016. On September 6, 2012, Director Caul becomes involved in the exchange to set up the multiple speaking engagements for Superintendent Hill, WSBA No. 31016, to support of the 2013 Bond Levy. **EXHIBIT 8** is a copy of the email tread.

On October 3, 2012, Pasco School District No. 1 employee Valerie Smith ([VaSmith@psd1.org](mailto:VaSmith@psd1.org)) emails 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller; Superintendent Hill, WSBA No 31016; Director Caul and Assistant Superintendent of Instructional Services Becky Gauthier to finalize a speaking engagement supporting the 2013 Bond Levy. **EXHIBIT 9** is a copy of the email thread.

Again in reference to **EXHIBIT 7**, 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller confirms the scheduling of no less than four (4) speaking engagements for Superintendent Hill, WSBA No. 31016, to promote approval of the 2013 Bond Levy. These

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 7**

engagements include the “*TCH Editorial Board on the 15th of January*”; the “*TC Sunrise Rotary presentation on Friday at 6:45am*”; the “*pipefitters presentation on Thursday night at 6:30*”; and the “*talk to Charter Channel 3 on Tuesday*”. EXHIBIT 10 confirms Superintendent Hill's, WSBA No 31016, Charter Channel 3 interview, and that it was arranged by 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller.

We also find 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller advising Superintendent Hill, WSBA No. 31016, “*For the Bond 2013 campaign We need to keep pushing to get support is the best way possible Do the schools need more PR Deduction forms What can be said in your newsletters We have signs going up this week* (emphasis added)”.

**EXHIBITS 7, 8 and 9** clearly show the “hand in glove” relationship between Superintendent Hill, WSBA No. 31016, and 2013 Bond Levy Proponent Pasco Citizens for Better Schools in coordinating fund raising, a “Speakers Bureau” with public resources and other activities to influence the vote and approve the bond measure authorized by Resolution 850.

None of the activities enumerated in these emails are a public responsibility or within the purview of Superintendent Hill, WSBA No 31016 or other agency officials.

On Friday, December 28, 2012 at 10:58 AM, 2013 Bond Levy Proponent Citizens for Better Schools member Valerie Moffitt emailed Superintendent Hill, WSBA No 31016 with a carbon copy to 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller. EXHIBIT 11 is a copy of said email.

“Saundra,

I think a PSD presence at the Mid Columbia Ag Hall of Fame -Thurs. Jan 17 at the Pasco Red Lion - might be beneficial on several fronts.

*First of all it is an opportunity to work the room for passage of the bond* (emphasis added).”

“The Port of Pasco co sponsors this program. As master of ceremonies, Jim Toomey was VERY complimentary of PSD and I thought it was too bad there was no PSD table/representation. I think you need to be out in front of this segment of the community and this industry, this event is a positive place to be.

I hope you agree this is a worthwhile function to attend. I have already run this by (2013 Bond Levy Proponent Citizens for Better Schools Manager) Mike Miller and he is not

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

available. *My farm business is willing to sponsor a table of 8 if you can fill it* (emphasis added). Please let me know very soon so I can make arrangements.

Thank you - Happy New Year!

539-9021”

On Monday, January 07, 2013 at 12:34 PM, Superintendent Hill, WSBA No. 31016, responded, with copes to Director of Career and Technical Education Chris Martinson; Assistant Superintendent of Operations John Morgan; Assistant Superintendent of Teaching & Learning Cal Bacon; Assistant Superintendent of Instructional Services Glenda Cloud.

“Can anyone go? I think this is a good suggestion.”

**EXHIBIT 11** clearly displays Superintendent Hill, WSBA No. 31016, and her fellow public official's support and use of public resources to support the 2013 Bond Levy Proposal authorized by Resolution 850.

The Response from Superintendent Hill, WSBA No. 31016, “*I think this is a good suggestion*” to 2013 Bond Levy Proponent Pasco Citizens For Better Schools member Valerie Moffitt's statement “*First of all it is an opportunity to work the room for passage of the bond*” is a clear exercise of support of the 2013 Bond Levy in her capacity as a public official.

In addition, 2013 Bond Levy Proponent Pasco Citizens For Better Schools member Valerie Moffitt advising Superintendent Hill, WSBA No. 31016, “*My farm business is willing to sponsor a table of 8 if you can fill it*” is an inappropriate use of public resources and agency officials to support a private event with the understanding that the purpose was to “*work the room for passage of the bond*”.

Again, 2013 Bond Levy Proponent Pasco Citizens For Better Schools is coordinating a “Speakers Bureau” utilizing public resources and agency officials to support approval of the ballot measure, and influence the outcome of the vote.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 9**

**Other Unlawful Support Provided To 2013 Bond Levy Proponent Pasco Citizens For Better Schools And Others From Superintendent Hill, WSBA No. 31016, et. al.**

On Monday, October 22, 2012 at 2:43 PM 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller emails Pasco School District No. 1 Director of Fiscal Services Howard Roberts as follows:

“Howard Can you provide a list of PSD Vendors contact info phone number mailing addresses etc etc etc Thanks for all your help”.

On Thursday, October 25, 2012 at 5:19 PM, Director Roberts responded:

“Mike, Here’s what we have in Excel format.”

**EXHIBIT 12** is a copy of that email and response.

Director Roberts provided Pasco School District's clientele list of persons served by the office or agency (vendor list) to 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller.

Director Roberts also made financial contributions to 2013 Bond Levy Proponent Citizens for Better Schools enhancing his involvement in the endeavor (EXHIBIT 13).

It should be noted that this production was not made by way of a Public Records Request, and no requisite review or redaction of private information was performed prior to production. Director Roberts is in no any way involved in the District's Public Disclosure process, which is overseen by Executive Director of Human Resources & Legal Affairs Thornton, WSBA No. 25523.

It also appears that this production is a violation of RCW 42.56.070 (9) whereby Director Roberts provides Public Records for a commercial purpose.

It should be noted that a wide variety of power point and other bond related materials were voluntarily provided without benefit of a Public Disclosure Request to 2013 Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 10**

In contrast, Complainant's Public Disclosure Request for 2013 Bond Levy information was subject to robust legal review, redaction and remains ongoing well after the February 12, 2013 election date. The Opponent Committee Member was required to utilize Pasco School District No 1.'s formal Public Disclosure Request process administered through Executive Director Thornton, WSBA No. 25523, including signing for the receipt of public information.

2013 Bond Levy Proponent Citizens for Better Schools hit pay dirt with Pasco School District's clientele list of persons served by the office or agency. The correlation between the Pasco School District No. 1 clientele list and the report from the Public Disclosure Commission for contributions to 2013 Bond Levy Proponent Citizens for Better Schools (EXHIBIT 13) is uncanny.

The list of large contributors from Pasco School District No. 1's clientele list includes: Design West Architects, Pa, 2013-01-08, \$1,000.00; CKJT Architects, 2013-01-08, \$500.00; Evergreen Associates Educational Consultants, 2013-01-04, \$500.00; Meng Analysis, 2013-02-04, \$250.00; and Withycombe Scotten & Associates, 2013-02-25, \$100.00.

Each of these clients will benefit nicely from passage of the 2013 Bond Levy. For example, on July 12, 2012, Design West Architects amended its contract with Pasco School District No. 1 to redesign Elementary School 13 (ES 13) which is included as a project under the 2013 Bond Levy. **EXHIBIT 14.**

On Wednesday, December 19, 2012 at 9:55 AM, Director Roberts emailed Superintendent Hill, WSBA No. 31016, the following, provided hereto as **EXHIBIT 15:**

“Saundra,

Franklin County is now requiring jurisdictions submitting issues to the voters to provide information for an online voters' guide. The basic requirements for the district are a 100-word explanatory statement and appoint members to pro and committees to write statements in the pamphlet.

This is a surprise to me *and I suspect everyone involved in the bond issue* (emphasis added). I've talked with both Jim and Diana Killian on a teleconference expressing our surprise and concern about the tight deadlines. Sounds like something we could fight since, as Jim says, the statute assumes a printed voter pamphlet (29A.32.210). *Then again there is one big advantage, getting the pro statement in front of those who will access the online pamphlet* (emphasis added).

I'd like to talk with you about this when you get a chance.”

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 11**

Despite having knowledge about an Opponent Committee beginning August 23, 2012, Pasco School District No. 1 officials ignore the advantage of also getting the Opposition Statement “*in front of those who will access the online pamphlet*”.

Clearly, Superintendent Hill, WSBA No. 31016, and associated public officials are in favor of seeking the approval of 2013 Bond by taking the “*one big advantage (of) getting the pro statement in front of those who will access the online pamphlet*” exercising every possible opportunity to utilize public resources to support the measure and influence the outcome of the vote.

On Thursday, September 27, 2012 at 4:39 PM, Director Caul sends out an email Press Release advising of an event entitled “Very interested parents and patrons (VIP) are very important in Pasco”. **EXHIBIT 16** is a copy of the email and attachment (please note the date of the attachment is wrong as the document includes a “today's date” field code). Here, agency officials utilize public resources to target a specific subgroup in its effort to support the 2013 Bond Levy, and influence the outcome of the vote.

On Thursday, November 03, 2011 at 12:37 PM, Superintendent Hill, WSBA No. 31016, emails Director Caul. The **EXHIBIT 17** email provides:

Leslee

Can u (sic) add a few slides to the ppt for Mike (Miller)? Send to me to verify. Let Mike (Miller) know a revision is coming.

The subject Power Point presentation was prepared by agency officials and with public resources for Bond Levy Proponent Citizens for Better Schools Manager Micheal Miller.

On Wednesday, October 17, 2012 at 10:54 AM, Publications Manager Annie Warren emails Superintendent Hill, WSBA No. 31016, Valerie Smith; Director Caul; Gracie Valle; Jessica Morgan concerning the final full-color bond graphic. **EXHIBIT 18** is a copy thereof. The final full-color graphic was a part of a special Pasco School District No. 1 student school project to develop the poster in support of the 2013 Bond Levy. Text added to the student drawing by agency officials included “**Pasco School District Bond 2013**” and “**More New Students Equals More New Schools Needed**”, clearly a message supporting the 2013 Bond Levy, and influencing the outcome of the vote.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 12**

On On Nov 14, 2012, at 3:19 PM, Publications Manager Annie Warren emails Superintendent Hill, WSBA No. 31016, and all Principals and Secretaries the following email, attached hereto as **EXHIBIT 19**:

“Dear Principals and Secretaries,

We are sending out packets of bond posters to every school. They should arrive in District mail tomorrow morning. Please be sure to hang the largest ones (which are laminated) on your front doors/in the front entry (CHS and PHS get two sets). There are several sets of smaller posters to please hang in other prominent places around the school such as your front office, library door, etc. PLEASE HAVE THEM UP IN TIME FOR CONFERENCES TOMORROW if possible! (emphasis original)

*You will also see an 8.5 x 11” sign directing people to pick up voter registration packets— please hang these wherever your voter registration packets are located, or let us know if you need some!!* (emphasis added)

Thank you for your cooperation, and please let me know if you need anything.  
-Annie”

Here, Superintendent Hill, WSBA No. 31016, and her administrative team make a concerted effort, using public resources, to develop, print, purchase, and display full color signs and other promotional messages in support of the 2013 Bond Levy, and influence the outcome of the vote.

In addition, Pasco School District No. 1 officials take the extraordinary step of handing out voter registration packets, a function not heretofore performed by Pasco School District No. 1 staff.

Moreover, not provided herewith, are hundreds of emails devoted towards the task of scheduling informational meetings, coordination of speaking engagements and support of the 2013 Bond Levy, and influencing the outcome of the vote.

On Wednesday, November 14, 2012, Superintendent Hill, WSBA No. 31016, emails all Elementary Principals and Secondary Principals, provided hereto as **EXHIBIT 20**:

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

“All

With concerts and winter sporting events coming up, *we would like to have bond information tables provided at your schools* (emphasis added). *We would ask that you provide a table in the entrance area to the event and at least one school person (employee or parent) to help man it. We will provide one Booth admin to be there as well. We will also provide brochures, posters, drawings of the new schools and buttons as they are available* (emphasis added).

We are putting together the schedule now and will send it out to you. But, Chiawana looks like it is up first on Thursday night with a concert. Liz will be there.

Thanks!”

**Again, Superintendent Hill, WSBA No. 31016, and her administrative team make a concerted effort, using public resources, to display full color signs and other promotional messages in support of the 2013 Bond Levy and influence the outcome of the vote.**

On Wednesday, October 31, 2012 at 10:49 AM, Superintendent Hill, WSBA No. 31016, emails her leadership Council on the subject of “bond info sessions at Booth”, provided hereto as **EXHIBIT 21**:

“All

*I am disappointed that you did not have some of your Booth staff attend any of the Booth bond info sessions we offered for Booth staff* (emphasis added). We offered three so that it would provide options. *Not attending should not have been an option* (emphasis added). We will offer one more. *Please make sure that your staff attend* (emphasis added). It is important that they have the factual info to answer questions from family and neighbors.”

**Here we find Superintendent Hill, WSBA N0. 31016, coercing Pasco School District No. 1 staff into attending 2013 Bond Levy informational sessions as “Not attending should not have been an option”.**

On Friday, September 14, 2012 at 8:35 AM, Manager Warren emails all Principals and Secretaries **EXHIBIT 22** provided herewith:

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

“Dear Principals and Secretaries,

Please be sure to put a notice in your school bulletins each day next week reminding students to have their parents fill out the bond survey and return it by Friday, September 21.

Thank you.

**EXHIBIT 23** is a copy of the subject survey. The survey is is entitled Bond Survey, and was clearly conducted to determine what taxation level the public would support with the question - “*The April 2011 bond election failed. Would you be willing to support a revised bond election that would cost substantially less?*”

On Friday, January 04, 2013 at 1:40 PM, Director Caul emails 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Micheal Miller a personal invitation, with a copy to Superintendent Hill, WSBA 31016, concerning the Franklin County Voters’ Pamphlet notice, provided hereto as **EXHIBIT 24**.

Pasco School District Seeking Applicants

On December 19, 2012, the District was notified that Franklin County would be producing an on-line voters’ pamphlet for the February 2013 election. The District is seeking applications from citizens interested in being appointed to a committee to write the pro/con statements for the upcoming bond election for the Franklin County Voters’ Pamphlet. Those interested should send their name, address, phone number and which position they represent to Valerie Smith at the Booth Building, 1215 West Lewis Street, Pasco, WA or via email at Vasmith@psd1.org by noon on Monday, January 7, 2013. The Board will take action on the appointments at its January 8, 2013 regular board meeting.

Thanks!”

The Opposition Committee, and Complainant, having made itself known to Superintendent Hill, WSBA No. 31016, and her administrative team on August 23, 2012, did not receive a warm and fuzzy personal invitation with a “(t)hanks!” as provided above. Superintendent Hill, WSBA 31016, and Director Caul are appraised of who will be preparing the Proponent Ballot Statement on behalf of 2013 Bond Levy Proponent Pasco Citizens for Better Schools.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 15**

As enumerated in EXHIBIT 25, attached hereto, 2013 Bond Levy Proponent Pasco Citizens for Better Schools and Director Caul remain in close and constant contact during the preparation of the Proponents Statement for the 2013 Bond Levy, and receive a copy of the final submission. At no time did the Opponent Committee receive the same or similar access to information and communications as did 2013 Bond Levy Proponent Pasco Citizens for Better Schools.

On Wednesday, November 28, 2012 at 12:52 PM, Pasco School District No.1 employee Jessica Morgan emails all employees, including Superintendent Hill, WSBA 31016, the following provided hereto as **EXHIBIT 26**:

For a chance to win a mini-photography session with Photography by Galicia, please reply to this email with the correct answer to the following question

What is the 2013 Bond slogan?

Answers must be received by tomorrow at 11:30 a.m.

Again, Superintendent Hill, WSBA No. 31016, and her administrative team are utilizing public staff, resources and time to foster support for the 2013 Bond Levy authorized by Resolution 850 and to influence the outcome of the vote.

On Thursday, March 01, 2012 at 12:12 PM, Superintendent Hill, WSBA No. 31016, emails Executive Director Morgan the following for the “Monday Agenda”, provided hereto as **EXHIBIT 27**:

“Please remove “selling points for bond.” Rephrase it. Construction cost efficiencies or strategies for reducing construction costs or something.”

On Wednesday, February 03, 2010 at 1:20 PM, Superintendent Hill, WSBA No. 31016, emails the Pasco School District Board of Directors, Leadership Council and Principals the following, provided hereto as **EXHIBIT 28**:

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 16**

“You are invited to Moffits (Pasco Citizens for Better Schools members) after the board meeting on Tuesday night *to hopefully celebrate a successful levy*” (emphasis added).

Both emails clearly show Superintendent Hill, WSBA No. 31016, and her administrative team's deep-seated and ingrained support for bond levies, and its determination to influence the outcome of the vote. It is also noted that Superintendent Hill, WSBA No. 31016, is kept apprised of meetings of Bond Levy Proponent Pasco Citizens for Better Schools.

As noted throughout, Superintendent Hill, WSBA No. 31016, and other agency officials remained in constant contact with 2013 Bond Levy Proponent Pasco Citizens for Better Schools members.

For example, on Friday, March 23, 2012 at 10:41 AM, Superintendent Hill, WSBA No. 31016, emails 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Miller as follows provided hereto as **EXHIBIT 29**:

“Mike

We will have the bond election discussion next Tuesday, March 27 at 4:30 in the board room. Feel free to invite the Citizens (2013 Bond Levy Proponent Pasco Citizens for Better Schools).”

As noted in **EXHIBIT 30**, the “**(t)he topic is important, whether we run a bond and when.**”

In this case, Superintendent Hill, WSBA No. 31016, provides 2013 Bond Levy Proponent Pasco Citizens for Better Schools Manager Mike Miller exclusive access to a Special Board Meeting to assist with influencing the outcome of the vote.

On January 10, 2013, Superintendent Hill, WSBA No. 31016, contributes \$500.00 to 2013 Bond Levy Proponent Pasco Citizens for Better Schools (**EXHIBIT 13**). Typically, such contributions by agency officials are considered an exercise of their private first amendment protections.

However, in this case, Superintendent Hill, WSBA No. 31016, attends meetings on public time, provides public resources in support, funnels campaign contributions with public resources, utilizes public resources to communicate regularly with, and participates at all levels in the activities of 2013 Bond Levy Proponent Pasco Citizens for Better Schools.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 17**

Rather than a private protected contribution, this is a continuation of the unfettered partisan support with public resources of 2013 Bond Levy Proponent Pasco Citizens for Better Schools by Superintendent Hill, WSBA No. 31016.

**Derogatory Comments By Superintendent Hill, WSBA No. 31016, Directed Towards A Political Party**

On Monday, October 8, 2012 at 10:42 AM, Superintendent Hill, WSBA No. 31016, emails Dr. Lawrence Nyland, Superintendent of Marysville School District. Provided hereto as **EXHIBIT 31**, Superintendent Hill, WSBA No. 31016, bemoans:

“We will have organized opposition for the first time—the tea party people who are anti-tax for any reason. It is sometimes hard to be the red part of a blue state.”

Naturally, it is inappropriate for a public employee to serve disparaging comments to any member of the public, especially when said members of the public pay taxes which support their substantial salary and benefits (said benefits alone exceed the area's median income).

In this case, Superintendent Hill, WSBA No. 31016, makes comments which serve only to show a total disregard for the independence of the election process, and utilizing the public's resources, specifically in her role as Superintendent, displays her deep-seated and ingrained support for the 2013 Bond Levy, and opposition towards any particular party affiliations of which she does not favor.

**Intimidation Of The Public By Way of Threatened Impacts In Order To Support The 2013 Bond Levy**

On June 21, 2012, Pasco School District Assistant Superintendent Morgan held a public session concerning a proposed \$46.6 million bond ballot measure being considered by the Pasco School District Board of Directors. **EXHIBIT 32** is copy of the Tri-City Herald article concerning that session. During that session, Superintendent Morgan threatens:

“Without a bond, the district would have to move some schools to multitrack operation, where the schools are open year-round but students attend on different tracks. The district also could double-shift schools, with half of a school's students attending in the morning and the other half in the afternoon. Both options are expensive”.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 18**

On September 25, 2012, the Pasco School District No. 1 Board of Directors agreed to place a \$46.4 million bond on the February ballot. **EXHIBIT 33** is a copy of the Tri-City Herald Article advising of that action. Superintendent Hill, WSBA No. 31016, advised:

*“Without a bond, the district would have to resort to a multi-track school year, which requires schools to operate year-round; or double-shifting students, which would have one group attend classes in the morning and another in the afternoon. District officials have said those two options would cost the district more money in the long run. The fact is, we’re running out of space to put portable classrooms. We cannot continue as we’ve been doing. We have to do something.”* (emphasis added).

On October 8, 2012, as noted in **EXHIBIT 31**, Superintendent Hill, WSBA No. 31016, emails Dr. Lawrence Nyland, Superintendent of Marysville School District as follows:

“In Fall 2011, after the board accepted the task force recommendations, we conducted about 60 community sessions to discuss options to building schools (MTYR and Double Shifting), which were well attended. *The thought of MTYR or DS pretty much galvanized folks. They don’t like it. They wanted another bond right away* (emphasis added). We then took a break to run the levy.

*In March 2012, staff went to the board with recommendations, which again hit the media. In May and June, we did community info sessions and spoke to staff groups. In September, we conducted another survey, with a high return and have been out to staff and community again.”* (emphasis added)

On October 25, 2012, Superintendent Hill, WSBA No. 31016, and other agency officials conducted an informational session concerning the agreed to \$46 million bond. The meeting was prefaced with the statement that *“District officials have said the bond is needed to keep up with current enrollment and avoid other measures, such as double-shifting or a multi-track school year.”* **EXHIBIT 34** is a copy of the article in the Tri-City Herald advising of the session.

On January 10, 2013, Superintendent Hill, WSBA No. 31016, sends out her 2013 Bond Levy power point presentation to all Pasco School District No. 1 Administrators. Said presentation is provided hereto as **EXHIBIT 35**.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 19**

This power point is the basis of the numerous presentations made by Superintendent Hill, WSBA No. 31016, and other agency officials to Pasco School District No. 1 staff, parents, students and targeted interest groups. The presentation specifically threatens that if the 2013 Bond Levy fails, “*(t)he District would likely move to MTYR (multi-track) or DS (double Shifting) in 2014-15 in several schools” and (t)he conversion to K/1-6 would phase in as elementary schools move to MTYR or Double Shifting*”.

On January 29, 2013, a Letter to the Editor for the Tri-City Herald is submitted on behalf of Board President Sherry Lancon (given the significant number of Public Affairs and other administrative staff, it is unlikely that Directors pen their own correspondence). **EXHIBIT 36** is a copy of said letter. The public is threatened and intimidated as follows:

*“We are out of room. We must either build new schools, or plunge into the unknown territory of multi-track year-round schooling or double shifting. This is the path of desperation not quality education. It is not the best choice for our students and parents. Keep Pasco Pride alive. Vote yes (emphasis added).”*

Board President Lancon's Letter to the Editor does not comport with RCW 42.17A.555 (2) which prohibits a statement by an elected official in support of or in opposition to any ballot proposition at an open press conference or in response to a specific inquiry.

In order to foster support for the 2013 Bond Levy, Superintendent Hill, WSBA No. 31016, and other agency officials use threats and intimidation by continually introducing the knowingly repulsive subject of multi-tracking and double sessions. Superintendent Hill, WSBA No. 31016, learned through community surveys that “The thought of MTYR or DS pretty much galvanized folks. They don’t like it. They wanted another bond right away.”

Based upon results of surveys taken by the District, residents of Pasco School District No. 1 are continually advised and reminded that should the 2013 Bond Levy not pass, multi-tracking and double sessions will be implemented causing family disruptions and creating issues with child care. Therefore, Superintendent Hill, WSBA No. 31016, used these points to support the 2013 Bond Levy and influencing the outcome of the vote.

**Page: 20**

**Other Unlawful Contributions to 2013 Bond Levy Proponent Pasco Citizens for Better Schools**

On September 26, 2013, 2013 Bond Levy Proponent Pasco Citizens for Better Schools contributes \$15,968.83 to itself. On October 24, 2013, Bond Levy Proponent Pasco Citizens for Better Schools contributes an additional \$1,000.00 to itself. No documentation in the submission is provided as to the source(s) of said funds contributed to itself. **EXHIBIT 13** and **EXHIBIT 37**.

In addition, the two (2) \$5,000.00 contributions made by Pasco Association of Educators to 2013 Bond Levy Proponent Pasco Citizens for Better Schools on October 17, 2012 and October 24, 2012 are likely in violation of RCW 42.17A.500 (**EXHIBIT 13**).

Similarly, on January 28, 2013 and February 11, 2013, the Pacific Northwest Regional Council Of Carpenters made two (2) \$250.00 contributions to 2013 Bond Levy Proponent Pasco Citizens for Better Schools, which is likely in violation of RCW 42.17A.500 (**EXHIBIT 13**).

**No Required Supervisory Training Regarding the Requirements of RCW 42.17A.555**

Despite the presence of multiple attorneys bearing Washing State Bar Association licenses, at no time, did Pasco School District No. 1 provide training or communication to its supervisory school personnel regarding their duty to know, apply, and communicate to their staffs the difference between acceptable information activities and inappropriate promotional activities in support of district ballot measures. To the contrary, no steps were taken in order to approach the 2013 Bond in an even keeled manner, only actions which served to promote approval of the measure and influence the vote were acceptable to Superintendent Hill, WSBA No. 31016.

**Superintendent Hill, WSBA No. 31016, Conducts Ex Parte Communications With Board Of Directors**

Superintendent Hill, WSBA No. 31016, is in constant email communication with her Board of Directors and vice versa without benefit of using Pasco School District email system. **EXHIBIT 30** is a sample of such communications. In this exhibit, Superintendent Hill, WSBA No. 31016, emails Board President Sherry Lancon at her work email address ([Sherry.Lancon@sterlingsavings.com](mailto:Sherry.Lancon@sterlingsavings.com)). With such communications, the Pasco School District does not identify communications for Board President Lancon with her Pasco School District email address ([slancon@psd1.org](mailto:slancon@psd1.org)). The public when requesting such documents will be denied full disclosure, including but not limited to blind copies.

RCW 42.17A.555 Use of public office or agency facilities in campaigns — Prohibition — Exceptions, provides:

No elective official nor any employee of his or her office nor any person appointed to or employed by any public office or agency may use or authorize the use of any of the facilities of a public office or agency, directly or indirectly, for the purpose of assisting a campaign for election of any person to any office or for the promotion of or opposition to any ballot proposition. Facilities of a public office or agency include, but are not limited to, use of stationery, postage, machines, and equipment, use of employees of the office or agency during working hours, vehicles, office space, publications of the office or agency, and clientele lists of persons served by the office or agency.

RCW 42.17A.001 Declaration of policy provides:

It is hereby declared by the sovereign people to be the public policy of the state of Washington:

(1) That political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided.

(2) That the people have the right to expect from their elected representatives at all levels of government the utmost of integrity, honesty, and fairness in their dealings.

(3) That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest.

(4) That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people.

(5) That public confidence in government at all levels is essential and must be promoted by all possible means.

(6) That public confidence in government at all levels can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions.

(7) That the concept of attempting to increase financial participation of individual contributors in political campaigns is encouraged by the passage of the Revenue Act of 1971 by the Congress of the United States, and in consequence thereof, it is desirable to have implementing legislation at the state level.

(8) That the concepts of disclosure and limitation of election campaign financing are established by the passage of the Federal Election Campaign Act of 1971 by the Congress of the United States, and in consequence thereof it is desirable to have implementing legislation at the state level.

**Page: 22**

(9) That small contributions by individual contributors are to be encouraged, and that not requiring the reporting of small contributions may tend to encourage such contributions.

(10) That the public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

(11) That, mindful of the right of individuals to privacy and of the desirability of the efficient administration of government, full access to information concerning the conduct of government on every level must be assured as a fundamental and necessary precondition to the sound governance of a free society.

The provisions of this chapter shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns and lobbying, and the financial affairs of elected officials and candidates, and full access to public records so as to assure continuing public confidence of fairness of elections and governmental processes, and so as to assure that the public interest will be fully protected. In promoting such complete disclosure, however, this chapter shall be enforced so as to insure that the information disclosed will not be misused for arbitrary and capricious purposes and to insure that all persons reporting under this chapter will be protected from harassment and unfounded allegations based on information they have freely disclosed.

In addition, the Public Disclosure Commission's Guidelines for School Districts in Election Campaigns provides that:

*“Supervisory school personnel have a duty to know, apply, and communicate to their staffs the difference between acceptable information activities and inappropriate promotional activities in support of district ballot measures (emphasis added).*

*Shall not coordinate informational activities with campaign efforts, in a manner that makes the district appear to be supporting or opposing a ballot measure (emphasis added).*

*Shall not use public resources to operate a speakers’ bureau in a manner that may be viewed as promoting a ballot measure (emphasis added).*

*Shall not direct district staff to perform tasks to support or oppose campaign activities or ballot measures (emphasis added).*

*Shall not use district resources to organize the distribution of campaign materials (emphasis added).*

*Nothing in (the) statute is to be construed as authorizing preparation or distribution of information to the general public for the purpose of influencing the outcome of a school district election* (emphasis added).

## CONCLUSION

Based on the revealing facts and documents provided herein, Superintendent Hill, WSBA No. 31016, and her administrative team participated in significant and continuous violations of RCW 42.17A et. seq. Violations are also attributable to 2013 Bond Levy Proponent Pasco Citizens for Better Schools.

Specific violations include, but are not limited to a significant use of public time, public office space and public facilities of Pasco School District No. 1 by Respondents, directly or indirectly, for:

- Failing to apply or communicate to their staffs the difference between acceptable information activities and inappropriate promotional activities in support of the 2013 Bond Levy, and keeping an “arms length” separation between Superintendent Hill, WSBA No. 31016, agency officials, and 2013 Bond Levy Proponent Pasco Citizens for Better Schools.

**Re: SUPERINTENDENT SAUNDRA LYNNE HILL, WSBA No. 31016, et. al. AND PASCO CITIZENS FOR BETTER SCHOOLS – VIOLATIONS OF RCW 42.17A.555 & RCW 42.17A.750**

**Page: 25**

As enumerated and documented herein, 2013 Bond Levy Proponent Pasco Citizens for Better Schools served as the official Bond Levy Marketing Department for Pasco School District No. 1.

Superintendent Hill, WSBA No. 31016, and her agency officials clearly mentored, fostered and coerced a culture which employed any and all public resources to support 2013 Bond Levy Proponent Pasco Citizens for Better Schools. Furthermore, Superintendent Hill, WSBA No. 31016, and her administrative team executed a systematic, concerted and well coordinated effort to utilize public resources, including the funneling of campaign contributions, for the express purpose of influencing the vote and passing the 2013 Bond Levy authorized by Resolution 850.

Employing a licensed attorney as its Superintendent explains but does not excuse why Pasco School District No. 1 has among the lowest Measures of Student Progress and High School Proficiency Exam Results in the State of Washington (**EXHIBIT 39**). Employing a licensed attorney as its Superintendent neither explains or excuses the misappropriation of public resources and failure to abide by RCW 42.17A.555. The Superintendent's abilities and credentials do not meet the public's need for fiduciary responsibility, accountability or appropriate educational outcomes.

Citizens of Pasco School District No. 1 were aware they would be responsible for paying the extraordinary additional cost for the February 12, 2013 Special Election and resultant 2013 Bond Levy payments, if approved. However, these same citizens unknowingly were responsible for paying the significant public costs relative to supporting 2013 Bond Levy Proponent Pasco Citizens for Better Schools, and other activities in order to influence the outcome of the vote.

The scheme and crimes enumerated herein are so all-encompassing and pervasive it likely involves the Pasco School District No. 1 Board of Directors. Implicit or explicit direction and authority was necessary to carry out such an expansive misappropriation. However, it is clear that Superintendent Hill, WSBA No. 31016, and the Pasco School District No. 1 Board of Directors maintained ex parte communications outside the public's purview, making the public's burden of proof as to their involvement impossible.

As such, it is appropriate for the Public Disclosure Commission, State Auditor's Office and Superintendent of Public Instruction to review actions of the Pasco School District No. 1 Board of Directors in order to determine whether they: 1) appropriately monitored the performance and activities of Superintendent Hill, WSBA No. 31016, and the District's Assistant Superintendents as outlined in RCW 28A.330.100; 2) appropriately executed their fiduciary responsibilities over the public's resources; and 3) appropriately carried out their responsibilities in accordance with RCW 28A.330 et. seq. Moreover, the Public Disclosure Commission should support Complainant's request for the Attorney General's prosecution in accordance with RCW 42.17A.105 (5), RCW 42.17A.750 and RCW 42.17A.755.

(e) The best interests of the District's students and other inhabitants require the District to carry out and accomplish the Projects as hereinafter provided.

Section 2. Description of Projects. The Projects to be paid for with proceeds of the Bonds, including interest earnings thereon ("Bond Proceeds"), are more particularly defined and described as follows:

(a) Construct a new elementary school on a site owned by the District located on Road 52 and Powerline Road, all as deemed necessary and advisable by the Board.

(b) Construct a new elementary school on a site owned by the District located on Road 60 and Sandifur, all as deemed necessary and advisable by the Board.

(f) Provide additional classrooms at Pasco and Chiawana High Schools, McLoughlin, Ochoa and Stevens Middle Schools, McGee, Chess, Emerson, Frost, Livingston, Angelou, Twain, Robinson, Markham, Whittier and Longfellow Elementary Schools, and Captain Gray Early Learning Center, including, but not limited to, purchasing, constructing, installing and renovating portable and permanent classrooms, all as deemed necessary and advisable by the Board.

(g) Make health, safety and infrastructure improvements to educational and ancillary school facilities, including, but not limited to: (1) upgrading HVAC, mechanical and electrical systems at McLoughlin Middle School, McGee and Markham Elementary Schools and the Support Services Facility (210 Building); and (2) making other health, safety and infrastructure improvements to educational and ancillary school facilities, all as deemed necessary and advisable by the Board.

(k) Acquire, construct and install all necessary furniture, equipment, apparatus, accessories, fixtures and appurtenances in the foregoing, all as deemed necessary and advisable by the Board.

(l) Pay incidental costs incurred in connection with carrying out and accomplishing the Projects described above pursuant to RCW 39.46.070. Such incidental costs shall be deemed part of the Projects and shall include, but not be limited to: (1) costs related to the issuance, sale and delivery of the Bonds; (2) payments for fiscal and legal expenses; (3) costs of obtaining ratings and bond insurance; (4) costs of printing, advertising, establishing and funding accounts; (5) payment of interest due on the Bonds for up to six months after completion of construction; (6) necessary and related engineering, architectural, planning, consulting, inspection, permitting and testing costs; (7) administrative and relocation expenses; (8) site acquisition and improvement costs; (9) demolition costs; (10) costs related to demolition and/or deconstruction of existing school facilities to recycle, reclaim and repurpose such school facilities and/or building materials; (11) costs of on-site and off-site utilities and road improvements; and (12) costs of other similar activities or purposes, all as deemed necessary and advisable by the Board. The Projects, or any portion or portions thereof, shall be acquired or made insofar as is practicable with available Bond Proceeds, together with any other money of the District legally available therefor, and in such order of time as shall be deemed necessary and advisable by the Board. Subject to Section 6 of this resolution, the Board shall allocate the Bond Proceeds, together with any other money of the District legally available therefor, between the various parts of the Projects so as to accomplish, as near as may be, all of the Projects. The Board shall determine the exact order, extent and specifications for the Projects. The Projects are to be more fully described in the plans and specifications to be prepared by the District's architects and engineers and to be filed with the District.

Section 3. Calling of Election. The Auditor of Franklin County, Washington, as *ex officio* Supervisor of Elections (the "Auditor"), is requested to call and conduct a special election in the District, in the manner provided by law, to be held therein on February 12, 2013, for the purpose of submitting to the District's voters, for their approval or rejection, the proposition of whether the District shall issue the Bonds to pay costs of the Projects and levy annual excess property taxes to pay and retire the Bonds.

If the proposition is approved by the requisite number of voters, the District will be authorized to issue, sell and deliver the Bonds in the manner described in this resolution, spend the Bond Proceeds to pay costs of the Projects, and levy annual excess property taxes to pay and retire the Bonds. The Bond Proceeds shall be used, either with or without additional money now available or hereafter available to the District, for capital purposes only, as permitted by law, which shall not include the replacement of equipment.

Section 4. Authorization to Issue the Bonds. The Bonds authorized may be issued as a single issue, as a part of a combined issue with other authorized bonds, or in more than one series, all as deemed necessary and advisable by the Board and as permitted by law. Further, the Bonds may be issued, as deemed necessary and advisable by the Board, as taxable bonds, tax-exempt

bonds and/or any other type of tax credit bonds that are now or in the future may be authorized under applicable state and federal law, including, but not limited to, “build America bonds” or “qualified tax credit bonds” within the meaning of Section 54A(d)(1) of the Internal Revenue Code of 1986, as amended (the “Code”) (generically, “Tax Credit Bonds”).

Each series of the Bonds shall be issued as fully registered bonds; shall bear interest payable as permitted by law; shall mature within 20 years from the date of issuance of such series of the Bonds (but may mature at an earlier date or dates as fixed by the Board); shall be paid by annual property tax levies sufficient in amount to pay both principal and interest when due, which annual property tax levies shall be made in excess of regular property tax levies without limitation as to rate or amount but only in amounts sufficient to meet such payments of principal and interest as they come due; and shall be issued and sold in such manner, at such times and in such amounts as shall be required for the purpose for which each series of the Bonds are to be issued, all as deemed necessary and advisable by the Board and as permitted by law. The life of the Projects to be financed with the Bond Proceeds shall exceed the term of the respective series of Bonds that finance such Projects. The Board hereby authorizes and directs the Secretary to the Board (the “Secretary”) to determine for each series of Bonds whether such series should be sold by negotiated or competitive sale, and with respect to such series of Bonds that are to be sold by competitive sale, to: (a) specify a date and time of sale of such Bonds; (b) give notice of that sale; (c) determine any bid requirements and criteria for determining the award of the bid; (d) provide for the use of an electronic bidding mechanism if the Secretary deems electronic bidding to be beneficial to the District; and (e) specify other matters in his or her determination necessary, appropriate or desirable to carry out the sale of the Bonds. Notwithstanding the foregoing, the amount, date, denominations, interest rates, payment dates, final maturity, redemption rights, price, and other terms and conditions of the Bonds (or parameters with respect thereto) shall be hereafter fixed by one or more resolutions of the Board authorizing the issuance, sale and delivery of such series of Bonds, all as deemed necessary and advisable by the Board and as permitted by law.

Pending the issuance of any series of the Bonds, the District may issue short-term obligations pursuant to chapter 39.50 RCW (which may be issued as Tax Credit Bonds, if permitted under applicable law) to pay for any portion of the costs of the Projects. Such obligations may be paid or refunded with the Bond Proceeds.

If the District receives voter approval to issue the Bonds in the manner described in this resolution, the Board authorizes and directs the Secretary and/or the District’s Director of Fiscal Services (the “Fiscal Director”) to: (a) review and “deem final” (within the meaning of Rule 15c2-12 of the Securities and Exchange Commission), if necessary and upon such official’s satisfaction, any preliminary official statement prepared in connection with the sale of each series of the Bonds by the District; (b) authorize the “deemed final” preliminary official statement to be distributed prior to the date any underwriter or purchaser bids for, purchases, offers or sells each series of the Bonds; and (c) acknowledge in writing any action taken pursuant to clauses (a) and (b) of this paragraph.

Section 5. Intent to Reimburse. The Board declares that to the extent, prior to the date the Bonds, or other bonds or obligations (which includes the Bonds, or other bonds or obligations, issued as tax-exempt bonds and/or Tax Credit Bonds) are issued to pay costs of the Projects, the District shall make capital expenditures for the Projects from money that is not (and is not

reasonably expected to be) reserved, allocated on a long-term basis or otherwise set aside by the District under its existing and reasonably foreseeable budgetary and financial circumstances to pay costs of the Projects, those capital expenditures are intended to be reimbursed out of the Bond Proceeds, or proceeds of other bonds or obligations, issued in an amount not to exceed the principal amount of the Bonds provided by this resolution.

Section 6. Sufficiency of Bond Proceeds. If Bond Proceeds are more than sufficient to carry out and accomplish the Projects (the “Excess Bond Proceeds”), and state or local circumstances require, the District may use the Excess Bond Proceeds to: (a) acquire, construct, install, equip and make other capital improvements to the District’s facilities; or (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020. In the event that the Bond Proceeds, together with any other money of the District legally available therefor, are insufficient to carry out and accomplish all of the Projects, the District shall use the Bond Proceeds and other available money for paying the cost of that portion of the Projects that is deemed by the Board most necessary and in the best interest of the District.

Section 7. Use of State Financing Assistance. It is anticipated that the District may receive some money from the State of Washington as state financing assistance under chapter 28A.525 RCW with respect to the Projects (the “State Financing Assistance”). The State Financing Assistance shall be used, when and in such amounts as it may become available, to carry out and accomplish the Projects. If the State Financing Assistance is more than sufficient to carry out and accomplish the Projects (the “Excess State Financing Assistance”), and state or local circumstances require, the District may use the Excess State Financing Assistance to: (a) acquire, construct, install, equip and make other capital improvements to the District’s facilities; (b) retire and/or defease a portion of the Bonds or other outstanding bonds of the District; or (c) provide for other purposes, all as the Board may determine by resolution, after holding a public hearing thereon pursuant to RCW 28A.530.020.

Section 8. Alteration of Expenditures. If the Board shall subsequently determine that state or local circumstances, including, but not limited to, changed conditions or needs, regulatory considerations or incompatible development, should cause any alteration to the Projects, the District shall not be required to accomplish the Projects and may apply the Bond Proceeds or State Financing Assistance (or any portion thereof) to: (a) other portions of the Projects; (b) acquire, construct, install, equip and make other capital improvements to the District’s facilities; or (c) retire and/or defease a portion of the Bonds or other outstanding bonds of the District, all as the Board may determine by resolution after holding a public hearing thereon pursuant to RCW 28A.530.020.

The Secretary is authorized to approve changes to the ballot title, if any, deemed necessary by the Auditor or the Franklin County Prosecuting Attorney.

Section 12. Authorization to Request Participation in Washington State School District Credit Enhancement Program Authorized. Enhancement Program. Accordingly, the Board hereby requests the State Treasurer to issue a Certificate of Eligibility to the District pledging the full faith, credit, and taxing power of the State of Washington to guarantee the payment, when due, of the principal of and interest on the Bonds pursuant to chapter 39.98 RCW and the rules promulgated thereunder by the State Finance Committee. Section 14. Severability. If any provision of this resolution shall be declared by any court of competent jurisdiction to be invalid, then such provision shall be null and void and shall be separable from the remaining provisions of this resolution and shall in no way affect the validity of the other provisions of this resolution, of the Bonds or of the levy or collection of the taxes pledged to pay and retire the Bonds.

Section 15. Effective Date. This resolution shall become effective immediately upon its adoption.

APPROVAL OF MINUTES

Mr. Peralta moved to approve the minutes of the regular meeting of December 11, 2012 as amended. Mr. Brault seconded the motion; the motion carried.

## AGENDA REVIEW

Ms. Hill stated there would be an executive session according to RCW 42.30.110(1)(g).

## AUDIENCE COMMENTS

PAC President Anita Aguilar extended an invitation to the board and administrators to join them for the PAC Conference January 19<sup>th</sup>. Officers passed out written invitations. Ms. Lancon thanked them for the excellent work they do in organizing the conference and their parent leadership.

## COMMUNICATION

Mr. Brault attended the Citizens for Better Schools meeting Monday and reported that signs are going up and things are gearing up for the February election. Postcards are going, media spots have been recorded and the social media "Facebook" now has 1200 likes.

Mr. Bayardo has been completing college applications and scholarships, along with many of his fellow classmates. The class has voted on "class favorites."

Ms. Centeno reported that before winter break WSU Tri-Cities held a meeting to show parents and students how to complete their FAFSA applications. Delta HS students voted to select their male and female speakers for graduation rather than go with the standard valedictorians. They are working on music and a guest speaker. Ms. Centeno is busy working on scholarships and college applications.

Ms. Lancon was able to attend several holiday programs prior to break. She expressed her appreciation for all the hard work done in preparation of these programs.

## REPORTS

Heath and Counseling Services – Ms. Bacon updated the board on services provided by both the nurses and counselors at the elementary, middle, and high school levels for Pasco students and families. The report includes a focus on the services during a crisis of district Flight Teams, which is comprised of trained nurses and counselors. A scheduled training for all new team members as well as new administrators with grief and trauma specialist, Cheri Lovre, will be held in January.

Mr. Leggett recognized the work of this group of individuals as well as Ms. Bacon and staff that work to have these important people in place.

Use of City Impact Fees Collected to Date – Mr. Morgan led a discussion regarding how much is anticipated from the City in school impact fees and asked for board direction on how best to apply the impact fees collected to date from new development in the City of Pasco to build the new schools.

The City of Pasco approved school impact fees last April and began collecting them soon after. The school impact fees are to address the impacts that new development has on the school system and help reduce the burden caused by the new developments on existing taxpayers. Discussion followed. The board agreed that they would like to apply the impact fees towards to the cost of building the proposed schools in the bond, thereby reducing the cost to all district taxpayers. Ms. Hill stated that they would move forward based on this direction and bring a resolution at a future board meeting once the bond is approved. Ms. Hill reminded the board that the County has not yet responded to the board's requests, beginning in January 2011, to discuss school impact fees and to put them through a public process.

## ACTION ITEM

Appointment of Pro/Con Committee for Voters' Pamphlet – Ms. Hill explained that the Franklin County Auditor's Office is now requiring the District to appoint citizens to write the pro/con statements for the Franklin County Voters' Pamphlet. The district received notice of this requirement on December 19, 2012, although the County was required by RCW 29A.32.220 to notify the district ninety days prior to production of the pamphlet. The District, however, is making a good faith effort to meet the new

requirement. An invitation to submit applications was posted on the District's website on December 21, 2012, and the board is being asked to make appointments based on those applications.

The board may appoint up to three people for each position. While there doesn't seem to be any residency requirement, 29A.32.280 does say the board "shall, whenever possible, appoint persons known to oppose the measure to serve on the committee advocating rejection." Under the law the basic criteria is that the person appointed must clearly oppose or favor the measure. Based on those criteria, it is recommended that the board approve those individuals who have applied specifically for a position, and deny the individual who stated he could take either position. Notification will be made Wednesday to each applicant. Discussion followed.

Mr. Brault moved to appoint Roger Lenk to write the voters' pamphlet statement representing the opposition for the bond. He also moved to appoint Mike Miller, Valerie Moffitt and John Sawyer to write the voters' pamphlet statement advocating for the bond. Mr. Peralta seconded the motion. A roll call vote was taken as follows; the motion carried.

Mr. Leggett – Yes	Mr. Brault – Yes
Mr. Peralta – Yes	Ms. Lancon – Yes

### CONSENT AGENDA

Mr. Peralta moved to approve the Consent Agenda as amended. Mr. Brault seconded the motion. A roll call vote was taken as follows; the motion carried.

Hi

Payroll deduction forms

I have delivered to all schools except Maya Angela and McGee and will have them done on Wednesday

Please make sure all Principals and PAE Reps are followed up by the respective chain so that we can get a higher participation rate by all PSD Employees

We were at \$407 per month

I would like to hit \$1000 if at all possible as we will get done with this Bond campaign and then follow it with a Levy campaign next year

I want us to start having meetings soon as well

We just received a check from PSD for the latest Payroll deduction efforts  
It was over \$500 which for me is fantastic  
I believe this is best efforts from a PSD Administrative push and PAE donations and leadership to get ground roots support  
For the Bond 2013 campaign

We need to keep pushing to get support is the best way possible

Do the schools need more PR Deduction forms  
What can be said in your newsletters

We have signs going up this week

We talk to Charter Channel 3 on Tuesday but things have changed all over the place  
They normally have three of us on the interview  
This time we only get one  
Sandra I believe it should be you or John Morgan  
The problem is it is Tuesday night  
This was a squeeze us in and only this time available situation so I apologize

We have the pipefitters presentation on Thursday night at 6:30

I also have the TC Sunrise Rotary presentation on Friday at 6:45am

We meet with the TCH Editorial Board on the 15<sup>th</sup> of January

We are on our Month of January campaign run we have a lot on our plate both for the campaign and our every day busy lives

June 21, 2013 will be good. This will be right after we celebrated our student scholarships.

This is also right in between the Bond Presentations, if there is one around January 2014.

Besides, this will give Sandra a good opportunity to look back at the 2012-13 school year and craft messages going forward.

Please confirm.

Thanks, Mike.

**Subject:** Rotary Speaking Days

Hi Becky,

I would like to lock in some dates for speaking to our Rotary Club about the following:

1. PSD Bond Election – February 8<sup>th</sup> is the date of the election. I would appreciate being allowed to speak on January 11<sup>th</sup> or January 18<sup>th</sup>.  
It sounds like Richland will have a Bond Election, too. I know I could get information for their bond to present. Kennewick is not having a Bond Election this year.
2. We should have Sandra Hill, PSD Superintendant, speak on PSD issues on an annual basis.
3. DPDA – Downtown Pasco Development Authority – I currently serve as its President. Amy Kuchler is the Executive Director. We would like a date to speak on the future of Downtown Pasco.
4. Moon Security Services, Inc., we could do a vocational talk about MSSSI.

The bond issue is date specific. The other topics could be scheduled by you when you need a speaker.

Thank you for your consideration,

Michael A. Miller  
President

Mike/Becky Gauthier suggested June 21<sup>st</sup> for Sandra to speak to the Rotary. Unfortunately that will not work as she is committed to another early morning meeting that day. Could you please make a couple of other suggestions early spring? Perhaps some time in late April or May. I would prefer to stay away from the summer months if possible.

I understand we are also looking for a January date for a talk about the upcoming bond. January 11 or 25 are possible options. Please let me know if either of these early morning dates will work? Thank you.

I am taping the Charter Cable Bond Info session tonight at 5:30, so I may be somewhat late for the beginning of the board meeting. They gave us no other time options.

Charter is doing it quite differently this time, only allowing one person and they set the time without any flexibility. I guess they feel like they are doing us a favor (which they are) so that we have to accommodate them.

Mike Miller called to let us know that the only time they could schedule the Charter show is on Tuesday, Jan. 8 at 6 p.m. Also, they only want one person this time, not 3-4 as in the past. Mike suggests it be someone from the District – either you or Mr. Morgan – presenting information. It will be 15 minutes.

Sandra,

I think a PSD presence at the Mid Columbia Ag Hall of Fame -Thurs. Jan 17 at the Pasco Red Lion - might be beneficial on several fronts. <http://pascochamber.org/2012/11/20/mid-columbia-ag-hall-of-fame/> <http://www.tri-cityherald.com/2012/12/11/2201220/mid-columbia-farmers-to-be-recognized.html>

First of all it is an opportunity to work the room for passage of the bond. Second it would be an opportunity for Chris Martinson and your new FFA teacher at CHS to get some face time with those in the Ag industry and maybe meet some potential vo-ag partners. I noted there were Finley FFA students who were invited to the event last year and 10th Ave Singers entertained; I do not know who will preform this year.

The Port of Pasco co sponsors this program. As master of ceremonies, Jim Toomey was VERY complimentary of PSD and I thought it was too bad there was no PSD table/representation. I think you need to be out in front of this segment of the community and this industry, this event is a positive place to be.

I hope you agree this is a worthwhile function to attend. I have already run this by Mike Miller and he is not available. My farm business is willing to sponsor a table of 8 if you can fill it. Please let me know very soon so I can make arrangements.

Thank you - Happy New Year!

Sandra,

Franklin County is now requiring jurisdictions submitting issues to the voters to provide information for an online voters' guide. The basic requirements for the district are a 100-word explanatory statement and appoint members to pro and committees to write statements in the pamphlet.

This is a surprise to me and I suspect everyone involved in the bond issue. I've talked with both Jim and Diana Killian on a teleconference expressing our surprise and concern about the tight deadlines. Sounds like something we could fight since, as Jim says, the statute assumes a printed voter pamphlet (29A.32.210). Then again there is one big advantage, getting the pro statement in front of those who will access the online pamphlet.

I'd like to talk with you about this when you get a chance.

Howard,

I have attached important information and deadlines regarding the online voters' pamphlet. The kit has instructions, examples and forms needed to assist us in providing this information to the voters.

I will be out of the office until December 26; but please contact my supervisor Diana Killian if you have any questions pertaining to deadlines, word limits, etc.

With concerts and winter sporting events coming up, we would like to have bond information tables provided at your schools. We would ask that you provide a table in the entrance area to the event and at least one school person (employee or parent) to help man it. We will provide one Booth admin to be there as well. We will also provide brochures, posters, drawings of the new schools and buttons as they are available.

We are putting together the schedule now and will send it out to you. But, Chiawana looks like it is up first on Thursday night with a concert. Liz will be there.

Thanks!

Thanks for getting this started John. I edited and added from long limit writing experience with letters to the editor. We have a 250 word limit, this is 233 so far. We will remove all paragraph breaks once we are finished.

I expect the rebuttal will be to an anti tax sentiment and a demand for YRS.

Pasco School District Bond 2013 – draft Statement For

**We, your neighbors urge you to vote YES !**

The Pasco School District is asking voters to approve a \$46.8 million bond to construct 2 large elementary schools and a second centralized early learning center for kindergarteners. As of October 1, 2012 15 of 18 Pasco schools are over enrolled. Some schools are nearly double their capacity using portable classrooms. The problem is concentrated at the elementary and middle schools and is the worst in Pasco School District history. Go to [www.psd1.org](http://www.psd1.org) to see capacity and enrollment figures for each school.

The bond is estimated to cost \$34 per year for a home valued at \$100,000. The actual cost has typically been less when construction is complete and further cost savings are realized. In addition, 38.1 million in state matching funds will be available when the Bond passes.

Careful and thoughtful planning has gone into presenting this bond to voters. PSD is conservative with taxpayer dollars. The new schools will be built using an existing Pasco design, which has saved millions in architectural, engineering, and construction costs. Elementary schools cost less to build than middle schools.

Once the new schools are complete, the intent is to keep 6th graders at the elementary level; relieving overcrowding at all 3 middle schools. This [will](#) delay the need for an additional middle school.

Our children and grandchildren deserve our investment in their educational opportunities; they are our hope for the future. We urge your **YES** vote because we know Pasco cares for kids.

Saundra: Thanks so much. My what a FULL plate you have. 60 meetings ... just to let people know what the alternatives are! Sounds like you have done what you can to keep costs down. What incredible growth.

We have a levy in 2014 and had not planned to do anything until then. But then we had a second fire in the same nearly oldest, poorest condition elementary so am thinking of possibly a single issue bond/levy.

Hard to tell whether the economy will rebound any time soon. If we have a 20 year stagflation (as in after the depression) that means some very different thinking for schools. Should we try to figure out what it looks like to make only emergency repairs on aging buildings (at 100% district expense)?

Ironically we are building a transportation co-op with 90% state match. We desperately need a new elementary school but probably qualify for only a (realistic) 30% state match.

Looks you have done all the right things ... putting lots of time on process ... time that makes it harder to find time for instruction. Best to you as you gear up for the election. - Larry

Larry: There is really nothing special, just keeping the conversation going.

The sad story starts when we failed our last bond badly. We did not rerun it. Meanwhile we had a citizens task force looking at multi track year round and double shifting. Some recommendations came out of that committee which the board adopted.

After our bond failed in April 2011, we did a community survey. In Fall 2011, after the board accepted the task force recommendations, we conducted about 60 community sessions to discuss options to building schools (MTYR and Double Shifting), which were well attended. The thought of MTYR or DS pretty much galvanized folks. They don't like it. They wanted another bond right away.

We then took a break to run the levy. In March 2012, staff went to the board with recommendations, which again hit the media. In May and June, we did community info sessions and spoke to staff groups. In September, we conducted another survey, with a high return and have been out to staff and community again.

Last week, the board voted to run a bond in February, incorporating the recommendations made by the task force and staff, which significantly reduced the cost (from 95/1000 to 34/100). It means a major change; we will be keeping 6<sup>th</sup> grade at elementary schools—reverting to pre-1989, remember? This eliminates a new middle school, which cuts costs. We are also building a kinder center, which again cuts costs. We will use our school design for the 8<sup>th</sup>, 9<sup>th</sup>, and 10<sup>th</sup> times to cut costs. We will build large schools for 750 kids. We want to give our voters another chance before we move into the more Draconian options. If they say no again, then so be it.

We have info going out in all of our communications and in every Wed envelope to kids. The bond will just dig us out of the "hole" we are in. If passed, we will build 3 new elementary schools.

We will have organized opposition for the first time—the tea party people who are anti-tax for any reason. It is sometimes hard to be the red part of a blue state.

Basically, we are trying to keep the issue in front of folks. Pasco is the fastest growing community in the Tri Cities. The Tri Cities has been the fastest growing metro area in the nation. Hopefully that will get some traction. We have added 3,000 additional K-8 kids since we opened our last K-8 school in 2005.

And, believe it or not, our new 2200-student high school has 2260 kids right now. I guarantee you that I will be gone before we talk about high school #3, although we are looking for property for it.

Wish us luck. We will need it.

And, good luck to you, too. Aren't elections fun...?

Hello Sandra:

I see in my home mail that the Pasco Chamber is celebrating diamond - 75? years!

Wish I could come. Must be 25 years since I was Chamber president!

See that you are asking input on a bond issue. I know that you certainly need one.

Can you tell me how you are going about it?

We had not planned to do one due to the economy.

BUT we started the year with a fire in our oldest and worst elementary (or second).

So we may want to seize the opportunity and go for a small bond.

I like the idea of building readiness, awareness, and buy-in.

So, if you don't mind sharing, I would appreciate it.

Hope that you are off to a good start. - Larry

## Pasco parents question bond plan

Published: June 22, 2012

By Ty Beaver, Tri-City Herald

There was no shortage of questions Thursday night from Pasco School District parents for John Morgan, assistant superintendent of operations.

Why isn't a new middle school part of the potential bond measure? Why build a new elementary school within a block of an existing elementary school? How is the district going to make sure voters know about a bond?

The Pasco School Board has yet to decide whether to put the proposed \$46.6 million bond on the ballot, but Thursday's meeting at McLoughlin Middle School was the latest offered in recent weeks to inform district patrons about the plan and what could happen if a bond isn't approved by voters.

Some of the few attendees said they liked the bond proposal, but others voiced frustration, saying it addressed long-term concerns but nothing in the short-term.

"My son is in the seventh grade, and the pressure is on now," said Avonte Jackson. "Our kids are in the middle of the crowding, and there's nothing to be done."

Under the bond proposal, one elementary school would be built at Powerline Road and Road 52 and open for the 2014-15 school year. A kindergarten would be built at Sandifur Parkway and Road 60, while another elementary school would be built near Whittier Elementary School in east Pasco. Those two schools would open for the 2015-16 school year.

The district would move sixth-graders into elementary schools to reduce demand for middle school facilities.

The district also would attempt to finish projects at other schools with money from the bond. Those projects include improvements to Stevens Middle School, construction of new science labs at Pasco High School and relocation of New Horizons High School.

Morgan said the district has been absorbing hundreds of new students each year, leading to the construction and opening of six schools in the past 12 years.

Regardless, the district will have 5,000 students in portable classrooms just to meet enrollment. There are now 30 portable classrooms at McLoughlin, where there are three lunch periods with five serving lines each, the earliest starting at 10:43 a.m.

"We call it brunch," said McLoughlin Principal John Wallwork.

Morgan touted the district's low construction costs and how much administrators had reduced the cost of a bond rejected by voters a year ago.

He answered questions throughout the presentation, noting that even if a middle school were part of a proposed bond, it wouldn't be built in time to affect current middle school students. Building a school close to Whittier would meet increasing enrollment in that area and allow the schools to share a playground. And the district won't waste any time in letting people know about the bond should the board approve it, he said.

"We're going to hit the ground running," Morgan said.

Without a bond, Morgan said the district would have to move some schools to multitrack operation, where the schools are open year-round but students attend on different tracks. The district also could double-shift schools, with half of a school's students attending in the morning and the other half in the afternoon. Both options are expensive, he said.

Mary Cacucciolo, who has a student heading to Chiawana High School next year and another starting the fourth grade at Ruth Livingston Elementary, said she could support a bond if it's used to effectively address the crowding problem. She isn't so certain of other parts of the proposal, such as moving sixth-graders back to elementary schools.

"They say they have the room to do it, but it seems pretty crowded everywhere," she said.

Jackson said she appreciated the district making information available and answering questions but said she still had her doubts the proposed bond would be effective. In the meantime, she had some advice for another parent at the meeting who will have a sixth-grader at McLoughlin next year and is deciding whether to drive her student to the school or have them take the bus.

"Have you been here in the morning? Give yourself enough time," Jackson said.

## Pasco School Board OKs \$46.4M bond for February ballot

Published: September 26, 2012

By Ty Beaver, Tri-City Herald

The Pasco School Board agreed Tuesday to place a \$46.4 million bond on the February ballot to pay for two new elementary schools, an early learning center and other construction projects.

If approved, the bond would allow the district to address overcrowding in many of its schools, though district officials acknowledged the new construction would not address future growth.

The decision followed the release of results from a recent survey of more than 3,900 district residents. More than 70 percent of respondents indicated support for a bond over other measures to address overcrowding in Pasco schools.

"I know this is not an easy decision, but it's something we need to do," said board Chairwoman Sherry Lancon.

Under the proposal, one elementary school would be built at Powerline Road and Road 52 and open for the 2014-15 school year. An early learning center for kindergartners would be built at Sandifur Parkway and Road 60, while another elementary school would be built near Whittier Elementary in east Pasco. Those two schools would open for the 2015-16 school year.

The district would move sixth-graders into elementary schools to reduce demand on middle school facilities. The bond also would include improvements to Stevens Middle School, construction of new science labs at Pasco High and the relocation of New Horizons High School.

The bond would cost property owners about 34 cents per \$1,000 in assessed property value, which is less than the proposed 95-cent rate for a \$59 million bond rejected by Pasco voters in 2011. District officials said the lower tax rate partially is a result of favorable interest rates.

Without a bond, the district would have to resort to a multi-track school year, which requires schools to operate year-round; or double-shifting students, which would have one group attend classes in the morning and another in the afternoon. District officials have said those two options would cost the district more money in the long run.

"The fact is, we're running out of space to put portable classrooms," said Superintendent Sandra Hill. "We cannot continue as we've been doing. We have to do something."

Almost three out of four survey respondents said the district should build schools rather than double-shift or have a multi-track school year.

Seventy percent said they'd support a new bond; 25 percent said they were undecided. One in four respondents said they attended prior information sessions on the bond, but 80 percent said they would want to attend one. Survey comments ranged from people asking how they could help to how to get more information.

Board members said the next few months will be tough. Lancon said she still hears from residents who don't know about the district's pursuit of a bond.

Also Tuesday:

w Board members approved a resolution and cooperative agreement aimed at building a facility for Delta High School.

Delta High is a science, technology, engineering and math, or STEM, school jointly operated by the Pasco, Richland and Kennewick school districts. It has about 400 students on a campus near downtown Richland.

The districts are pursuing construction of a new school, with the state potentially providing up to 90 percent of the necessary dollars, after efforts by private partners and the Washington State STEM Foundation stalled.

w Board member Rubn Peralta said he visited board member Jeffery Dong, who is recovering from health problems and has not attended a board meeting in about a year.

"He's looking good. He's in good spirits," Peralta said. "He's looking forward to coming back in the near future."

Lawyers representing Richland flower shop owner want discrimination case

## Pasco bond information meeting planned tonight

Published: October 25, 2012

By the Tri-City Herald

The Pasco School District will present information on a bond of more than \$46 million at 6:30 p.m. today at the district administration office at 1215 W. Lewis St.

The bond, scheduled for a February ballot, would pay for two new elementary schools, an early learning center and other facility improvements throughout the district if approved by voters. It would cost property taxpayers 34 cents per \$1,000 in assessed property value, or \$34 a year for a \$100,000 home.

District officials have said the bond is needed to keep up with current enrollment and avoid other measures, such as double-shifting or a multi-track school year.

- Use property already purchased or adjacent to other usable property (saves about \$1.7 million in site design)
  - Elementary #13 at 52 and Powerline, to open in 2014-15
  - Kindergarten Center (Elem #14) at 60 and Sandifur to open in 2015-16

# February 2013 Bond

Designed to:

- Maximize use of state match dollars, thereby reducing direct cost to Pasco taxpayers

- Minimize impact on Pasco taxpayers
- Pasco Facilities Task Force developing long-term plan to accommodate growth and keep schools maintained and functional
- Meanwhile, still planning for potential implementation of Multi Track Year Round or Double Shifting if needed.

# Other Projects

The following projects will be prioritized based on remaining dollars:

- New Horizons relocation
- Stevens site improvements
- District wide improvements such as upgrades at older schools
- PHS entrance, offices, additional science labs
- Twain pick up and drop off
- Portables
- Design funds for future schools
- Land purchases
  - Elementary, middle and high school sites

# Dealing with growth challenges

## Challenges and Obstacles

- Low assessed value, near or at statutory debt capacity; creates inequity compared to other districts.
- In 2011, PSD was 271 out of 295 districts in per pupil AV.

## New Schools

- 6 new schools since 2000
- Chiawana High School opened fall 2009 with 112 classrooms.

## Portables

- 171 portable classrooms
- 24 more in August 2012

## Still Not Enough Space...

*CHS Science Lab*

*Longfellow Portable Installation*

# Growth Since Our Last K-8 School

- The last new elementary school, Robinson, opened in 2005.
- Since 2005, PSD has added 2,983 students in grades K-8, without building another K-8 school to accommodate those new students.
- Current facilities can no longer fit additional students.
- We have added 96 K-8 portable classrooms since 2005. We are running out of room for additional portables.
- We have maximized our ability to accommodate continued student growth. It must be either new schools, MTYR or Double Shifting.

# Capacity Considerations

- Three elementary schools will give our schools some breathing room right away, but not provide for much future growth, if it continues.
- Four elementary schools would provide space for the future.
- The added tax rate for the fourth would cost about 10 cents more per thousand.
- After much consideration, the board stayed with 3 schools on the bond proposal:
  - The 4<sup>th</sup> would increase the cost too much
  - Growth may continue to slow. Building for students we have now is more cost efficient.

# Scenarios

- If bond passes:
  - The District would likely be able to avoid MTYR or DS with one new school opening in 2014 and the addition of portables, depending on the level of enrollment growth.
  - The District would make the K/1-6 conversion in 2015-16 when all new schools would be open.
  - These new schools would relieve the immediate overcrowding, but do not provide significant space for additional growth in order to reduce costs.
- If the bond fails:
  - The District would likely move to MTYR or DS in 2014-15 in several schools.
  - The conversion to K/1-6 would phase in as elementary schools move to MTYR or Double Shifting.

Approximately 1350 6<sup>th</sup> graders will be absorbed in the elementary schools.

Above are construction costs for all Pasco Schools built since 2002 compared to similar schools built in the state during the same time periods. In every case, Pasco's construction costs were not only lower but significantly so. This savings to taxpayers does not happen by accident, but as a result of careful and thoughtful planning and strategies. Katrina and the Tsunami impacted materials costs in 2004-06.

## Asset Preservation Program

**Fact: Well-maintained schools last longer,  
thereby saving taxpayer dollars.**

Recent OSPI inspections found that Pasco schools are in better condition than would be expected for schools around the state of the same age.

	Age	OSPI Score by Age	2011 *BCE Score	2012 *BCE Score
Emerson	15	73	83	89.99

CHS	2		100	100

\*BCE-  
Building  
Condition  
Evaluation  
score given  
by OSPI.

The scores indicate that the condition of Pasco is well above what is expected for schools of the same age according to OSPI. Why? Because effective construction standards and responsible maintenance save Pasco taxpayers money in the long run. In 2011, OSPI provided a score for all the schools. In 2012 they scored only those schools which used state matching money for construction.

## Election letters: Approve Pasco school bond

Published: January 29, 2013

As president of the Pasco School Board, I am always aware that we deal with our voters' most valuable assets: their children and their money. I believe we are doing an excellent job with both and here's why: Our schools show steady improvement in test scores and graduation rates. In 2012 three Pasco elementary schools were named "Schools of Distinction" by the Center for Educational Effectiveness, more than any district in the Mid-Columbia. And our teachers, principals and superintendent are consistently recognized among the best in the state.

I am also proud of our management of the resources voters have entrusted to us. This is not just my opinion, but the state auditor's office as well. Since 2005, we have absorbed nearly 3,000 K-8 students into our existing schools. We have done this by controlling costs and maximizing our use of space. But we cannot continue this strategy.

We are out of room. We must either build new schools, or plunge into the unknown territory of multi-track year-round schooling or double shifting.

This is the path of desperation not quality education. It is not the best choice for our students and parents. Keep Pasco Pride alive. Vote yes.

SHERRY LANCON, Pasco

## Key Facts about Pasco Public Schools

January 2011

New research released by Washington Policy Center, a non-partisan public policy research think tank based in Seattle, provides key facts for the Pasco School District. Education budgets in Washington State are at historic highs, reaching \$10,200 per student statewide. Average teacher pay with benefits in Pasco is \$73,962 for a ten-month work year. Fifty three Pasco public school employees receive more than \$100,000 a year.

Yet, because of restrictive work rules and multi-layered bureaucracy, only 59 cents of every education dollar reaches the classroom and public school students continue to lag in academic achievement. The research shows that more money won't help public schools, and that policymakers can improve student learning with existing funding. Practical ideas for reform are available in the Center's study, "Eight Practical Ways to Reverse the Decline of Public Schools."

### 1. Schools and Students

- Number of students: 13,174
- Number of schools: 19

### 2. Public School Staffing

- Number of employees: 1,406
- Number of full-time classroom teachers: 669
- Number of students per employee: 9.4
- Number of students per classroom teacher: 19.7
- Share of employees who are classroom teachers: 47.6%
- Number of paid days off: 12 holidays, 12 sick days, 3 personal days and additional leave upon request.
- Collective bargaining rule for layoffs: younger teachers with low seniority are laid off first.
- Collective bargaining rule for teacher evaluations: numerous administrative obstacles to removing poor-performing teachers from the classroom.

### 3. Education Spending

- Total education 2009-10: \$151.1 million
- Total per student spending: \$11,471
- Operations budget 2009-2010: \$126.1 million
- Per student spending, operations only: \$9,569
- Average teacher pay for ten-month work year: \$56,894
