RE: Rules Development Agenda for January 31, 2019 to July 31, 2019

The Commission is required by RCW 34.05.314 to prepare a semiannual rules development agenda that includes planned rule-making for the following six months. By January 31<sup>st</sup> and July 31<sup>st</sup>, the Commission submits the agenda to the Code Reviser for publication in the State Register.

Staff proposes the Commission consider the following for inclusion in the development agenda:

Permanent rule-making for the Disclose Act of 2018, Title 390 WAC to implement Chapter 111, Laws of 2018 (SSB 5991)

The proposed changes to Title 390 WAC will necessitate the creation of new rules to comply with the requirements set forth in Chapter 111, Laws of 2018. The new law creates a filing requirement for certain nonprofit organizations to file organizational statements with the PDC and disclose certain contributors, regardless of the organization's primary purpose. Emergency rules are effective January 1, 2019. The permanent rule-making process is currently underway.

Possible rule-making for legislation passed by the 2019 legislature including, but not limited to, agency request legislation

Action Requested: Staff requests the Commission adopt the attached rules development agenda for submission to the Washington State Register for the period of January 31, 2019 to July 31, 2019.
